

Tavern Sold To Dolleys; Repair Work Is Started

New Owners Will Rename Hostelry Truckee Hotel

Sale of Sierra Tavern to Mr. and Mrs. N. F. Dolley was announced this week by Mr. and Mrs. Arthur Walters of Sacramento.

The new owners have already started redecorating and renovating the 28-room four-story hotel which they propose to modernize as rapidly as possible. However, it is remaining open and business continues as usual.

The Walters, who previously had sold the hotel to Mr. and Mrs. Michael Richards of Sacramento, reclaimed it through court litigation two months ago but because of Walters' health, they continued their efforts to sell so that they can return to their home in the capital city.

Change Name

A first order of business by the Dolleys was renaming the place which in the future will be known as Hotel Truckee. Since it was constructed in 1927 by the late Timothy O'Hanrahan, the hostelry has been designated by Sierra Tavern.

A crew of painters, under the direction of Floyd Carnell of Tahoe City, started redecorating the lobby immediately upon completion of the sale and the interior now is attractive in its coat of light brown walls and two-tone green ceilings. The small office near the front of the lobby has been removed and a desk installed near the stairway, providing more space and light in the room.

Move from Apartment

Dolley said he plans repainting the exterior and will devote more effort in the halls and rooms. This work was started by the Walters upon their repossession of the place this summer.

Aside from Mr. and Mrs. Dolley, the latter's mother, Mrs. Ruby Russell of Reno, will be associated in conducting the business and Walter Rodgers will be retained as night clerk.

The Dolleys have moved from their apartment on the old Reno Road and now occupy the fourth floor apartment at Hotel Truckee, the former home of the Walters. They will rent their large apartment, Dolley said.

Includes Drug Store

The purchase includes the former Bank of America offices and Loynd's Truckee Drug on the street floor of the building. Loynd recently announced he had leased the old bank building and will join it to his drug store soon, as well as taking over the former tavern lounge, the latter for storage space.

The business office for the Dolleys will be in the rear of the hotel, now separated from the lobby by an ornamental iron gate.

The new owners are widely known here. Dolley for many years has been associated with Alvah Hooper in operating the Truckee Colonial Mortuary and also owns and operates the Truckee Ambulance Service. He has been constable for many years and prior to that was an active deputy sheriff. He will continue with these duties in the future.

Their many friends here will visit them success in their newest venture.

TELEPHONE FILMS SHOWN TO LIONS

Interesting and instructive films provided by Howard J. Newsham, manager for the Pacific Telephone Company here, were shown at last night's meeting of the Lions Club held at Donner Lake Lodge. C. R. Heller presided and Earl Stice was program chairman.

Guests included Gene Barton of Memphis, Tenn., former local businessman; and Lee Moffett of Tarter, Webster & Johnson Inc., Stockton.

Next week the Lions will be hosts to the Rotarians at a joint meeting where Sheriff Wayne Brown and Deputy Elmer Oates of Nevada City will be speakers.

CAMPER FINED \$50 FOR LEAVING FIRE

District Ranger E. E. Boehm apprehended Antonio Gomes of Hayward for having an unattended camp fire Sunday. He was fined \$50 when he appeared in the court of Judge Alden Johnson in the Sierraville district.

Guests from Nevada—

Mr. and Mrs. Doyle McGwin had as their guests this week Mrs. Hawkins and Mrs. B. E. O'Malia of Hawthorne, Nevada.

Back from North—

Mr. and Mrs. Harry Eaton are celebrating their wedding anniversary this week. Mrs. Eaton recently returned from a trip to Washington.

Reorganization Of Legion Here; Street New Head

In the first step toward revitalizing Truckee Post 439, American Legion, members Tuesday night elected a new slate of officers for the year. These will be headed by John Street as commander.

Others named include Wayne Philippi, first vice commander; John Rau, second vice commander and custodian; Bill Waters, chaplain; E. A. Parker, service officer; H. F. Cardinal, finance officer and adjutant; Frank Giovannoni, sergeant at arms. Rau, a past commander, presided at the election.

It was decided that, for the time being at least, the time for the meetings to start will be changed from 8 to 7 p.m. each first and third Tuesday evening.

During the meeting, Frank Giovannoni, chairman of the troop committee, presented the post with the tenth annual charter of sponsorship of Truckee Troop No. 7, Boy Scouts of America.

"END CONFUSION," DONNER LAKERS TELL OFFICIALS

Officers of the Donner Lake Improvement Association met last night with state and county officials in the first step to outline a basis from which regulations relative to buildings can be established.

The meeting was an outgrowth of recent discussions over the sewer drainage problem confronting property owners in the Donner Lake area. These owners have signified a desire to follow any sensible rule but have insisted that some authority provide the regulations to avoid confusion, duplication and continued misguided efforts.

Participating in the meeting were Charles Shetler, newly appointed Nevada County sanitarian; A. T. Parsons, consultant for the county planning commission; John Baxter of the state pollution board and John Jamison, official from the state division of housing. These officials made suggestions for improving the situation for continued development.

Shetler, a former state public health official, was appointed to his present job at the last meeting of the board of supervisors. Temporarily he is using his home at Rough and Ready for an office as no space in the court house was immediately available.

Both Parsons and Shetler were in this district during the week, making initial surveys with an aim toward future improvements.

VAN HOOSER BOY HURT IN GAME

Jack Van Hooser, 16, son of Mr. and Mrs. John W. Van Hooser of Kings Beach, was treated for a strained back at the Tahoe Forest Hospital this week. The injury was incurred in the football game at Sparks last Saturday. Dr. George Hahn said.

TRUCKEE SAILOR HOME FROM EAST

SAN FRANCISCO—Aboard the attack carrier USS Princeton which arrived here Sept. 21 from a tour of duty in the Far East was Jay Rablin, teleman third class, USN, son of Mr. and Mrs. John M. Rablin of Truckee and Roseville.

One of the first carriers to go into action in the Korean conflict, the Princeton is a veteran of 457 combat days during three tours of duty off the northeast Korean coast.

FRIDAY DEVOTIONS FOR WORLD PEACE

Rev. P. J. O'Neill and Rev. Roman Brennan are conducting Friday evening Devotions services during the month of October in the Assumption Catholic Church here. The Devotions begin each Friday evening at 8 o'clock and their objectives are "World Peace and the conversion of Russia."

Rablin's Leave—

Mr. and Mrs. O. J. Rablin left for Roseville for the winter today, renting their local house to Mr. and Mrs. Charles E. Smith.

Buck Stew Is Big Success As Hall Is Packed

Senator Johnson Up From Roseville Is Among Speakers

Huge boilers of savory buck stew disappeared in rapid order Sunday when Capitol Hall failed to hold the large number of guests of the Truckee Outdoor Sportsmen, sponsors of the annual event.

Charles Osburn, president of the Sportsmen, said a number of people were unable to squeeze into the spacious hall and that arrangements for next year's buck stew will include a larger hall if possible, to say nothing of a greater volume of stew.

The repast was prepared to a queen's taste by the capable chefs Johnny and Julia Ciardella, and Earl Brown and his busy assistants were kept hopping at the serving tables as more than 600 marched by.

Awarding of the 80 gifts, donated by local merchants, occupied a portion of the afternoon with the high-powered rifle going to Jerry Fox of San Francisco.

Among the speakers responding to the invitation of master of ceremonies Jack Waggoner was State Senator Harold Johnson of Roseville, who spoke briefly. Osburn opened the session and turned the program over to Waggoner.

The annual buck stew climaxed a busy year for the Outdoor Sportsmen through whose efforts thousands of catchable trout have been planted in local streams and who have occupied themselves with legislation and programs beneficial to the sportsmen.

"GOOD OLD DAYS" REVIVAL SLATED ON GENTS' NIGHT

Gents' Night, with a revival of the "good old days" will feature the meeting of the Wyethia Club at Capitol Hall Saturday night, October 10, at 7:30 p.m.

Dinner, dancing and entertainment will feature the evening's program with the women attired in cotton dresses or costumes of the 90s and the men in jeans and bright shirts.

Reservations may be made with Mrs. Fred Pedley, Mrs. Carroll Maynard or at Cabona's store.

PUPILS, DENTIST ON PROGRAM OF OCT. 12 FOR P.T.A.

The Truckee Elementary Parents and Teachers Association will meet promptly at 8 p.m. in the school on October 12 when a short program will be given by the pupils of Mrs. Ed Trask and Mrs. George Tiffie in the second and third grades.

Following the business meeting at which Mrs. Robert Leamon will preside, Dr. Oliver Scow will be the guest speaker on the vital subject of "Children's Dental Health." Community singing will be enjoyed and refreshments are to be served by mothers of sixth grade pupils.

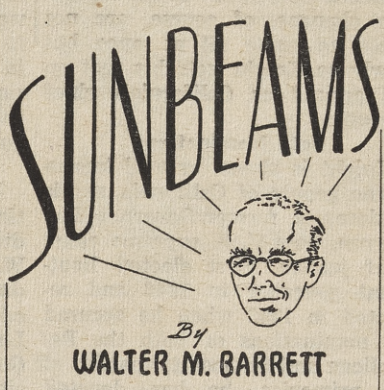

New and renewal of memberships in the organization may be paid at the meeting to Mrs. Walter Loynd, chairman of the drive.

MRS. BERGMANS RESIGNS POSITION

Mrs. Emily Bergmans, who has served as cook at the Tahoe-Truckee High School since it opened, has resigned her position there. The cooking duties at the school have been taken over by Mrs. Stanley Zwarg, who had assisted Mrs. Bergmans.

YOUNG FOS WILSON IS PARTY HONOREE

Foster Wilson Jr., son of Mr. and Mrs. Foster Wilson Sr., celebrated his 5th birthday Friday, October 2, with a party at his home here. About 25 young friends gathered to play games and enjoy the refreshments. All the appointments were in the Halloween motif.

There is no better place to observe Fire Prevention Week, currently being observed throughout the nation, than right here in our own communities. With the approach of winter, heating systems will soon be put to maximum use, but before that time they should be carefully checked, and gas and oil lines inspected for possible leaks, soot cleaned from stoves, furnaces and chimneys, and all inflammable materials removed from danger zones. Electric wiring, switches, fuses and appliances should be inspected and replaced if damaged. Attics and basements should be stripped of accumulated piles of papers or other inflammables and every building should be gone over with care to eliminate every known fire hazard. Nothing is more devastatingly cruel than an uncontrolled fire and the responsibility rests upon each one of us to prevent damage and disaster through constant vigilance and care. Observe Fire Prevention Week by making a minute inspection of all possible fire causes and then keep up the good work every week of the year. Don't take chances on over-sized electric fuses or over-loaded wiring. Don't fool with fire; it's no respecter of persons.

CAL GANDY EDITOR OF TWICE-MONTHLY AT HIGH SCHOOL

TNT Highlights, the Tahoe-Truckee High School paper made its initial appearance recently, reflecting the work of the senior class staff and the advisor, Hugh Smith. It is proposed to publish the school paper every two weeks for distribution among the students and patrons of the school.

The staff comprises Calvin Gandy, editor; Bill Wright, news editor; Clyde Mandeville, sports editor; David DuPar, assistant sports editor; Carol Wilson, feature editor; Adonna Goodpasture, art editor; Mike English, circulation manager; Marie Osburn, Ruth Osburn, Donna Carr and Jean Holmes, typists; Bill Port, Hugh Van Hooser, Lester Lazzari and Jerry Quam, proof readers, and Lester Lazzari and David Peterson, binders.

Walter Barrett, editor of the Sierra Sun, spoke before the class recently and it is planned to publish and print one of the future editions in the Sierra Sun's office and plant.

HOSPITAL INCOME IS WELL AHEAD OF 1952 FIGURES

John Wardman, administrator at the Tahoe Forest Hospital, has disclosed that during the first quarter of the hospital's second year of operation a 30 per cent increase has been recorded compared with the same period in 1952. This is despite the fact that there has been no increase in rates during the period.

Wardman said the revenue for the first quarter this year approximated \$31,000, as compared to \$21,000 for the same period last year.

ROBERT MORI HURT IN JEEP ACCIDENT

Robert Mori of Soda Springs is recovering from injuries resulting from a Jeep accident 20 miles east of Nevada City in which he suffered severe bruises and abrasions. The Jeep plunged off the canyon after striking loose gravel and rolled 400 feet into a canyon. Mori was thrown clear and was taken to Nevada City for treatment.

GETS LICENSE

SACRAMENTO —(CNS)— State Real Estate Commissioner D. D. Watson has announced issuance of a real estate salesman license to John T. Senica, Donner Village, Truckee.

Highway Route Over This Area Still Uncertain

State Action Is Contingent Upon Decision Of Congress

There is considerable local speculation as to when and where the four-lane highway across the Sierra will be started but word from the division of highways at Sacramento fails to put any light whatever upon the important topic.

Latest reports from the Capitol News Service is to the effect that the state thus far has done nothing regarding four-laning Forty in accordance with the terms of the \$20 million voted by the 1953 legislature in the Johnson bill.

It is necessary, the division told Capitol News Service, for congress to appropriate an additional \$20 million before any action will be taken, other than the regular expenditures on Highway 40 which would go on whether there was a special bill or not.

When or whether congress will take such action is a matter of speculation.

The California highways division will be ready to go ahead, they indicated, on certain portions of Forty when and if congress puts up the money, but it will be a long job and there is currently no official indication as to what portion will be operated on first.

The division has owned the main street through Truckee since 1949, when the lateral was widened and the easement of the Southern Pacific was taken over by the state, but there is no official assurance, as some speculators contend, that this will form either one or both legs of the four lanes, if and when that program is authorized and begun.

YOUTH IS HELD AS LAKE HOMES ARE PILFERED

KINGS BEACH—Don Austin, who admitted, officers said, that he recently escaped from the Lark Allen Home for Boys in southern California, was being held after five homes in this area were burglarized and loot taken allegedly found in Austin's possession.

Constable Richard Lavery apprehended the youth in a cabin near the Brockway Cutoff where he had a store of radios, a rifle and other articles reportedly stolen in recent robberies. Lavery said Austin admitted the charges and was taken to Auburn where he is held.

FOOTBALL FIELD FOR SCHOOL HERE

The high school football field, located south of Donner Creek on the school campus, presents a nice appearance with the grass taking root and spreading over the huge area. The football team this year has not scheduled any local games in order to permit the grass to toughen for next year's games.

It is proposed to erect stands on the two sides of the field which runs north and south.

TRUCKEE GIRL AT PASADENA SCHOOL

Miss Audrey Ann Goodpasture has enrolled as a freshman student at Pasadena College in southern California. She is the daughter of Mr. and Mrs. Virgil Francis Goodpasture of Truckee. Miss Goodpasture graduated from the Tahoe-Truckee High School in June last year.

Pasadena College is an accredited four year college under the auspices of the Church of the Nazarene. It is one of seven Nazarene colleges in the United States. Last year the school won nationwide sports news when its Crusaders' basketball team won the California State NAIA championship and went to the finals in the annual tournament in Kansas City.

Sewing Session—

A group of ladies of the WSCS met at the home of Mrs. William Englehart Jr. yesterday to sew for the coming bazaar, to be held in November. A luncheon was served at noon by the hostess.

Fall Is Fatal To Pioneer Woman At Lake Tahoe

Native of Glenbrook in '83, Postal Employee At Tahoe City

TAHOE CITY—Funeral services were held in the Truckee Colonial Mortuary yesterday afternoon for Miss Ida Pomin, 70, member of a pioneer Lake Tahoe family, who died as the result of a fall in her home Sunday morning at 5 o'clock. Rev. Sidney Winston officiated at the rites and the body was taken to East Lawn in Sacramento for cremation with inurnment at Forest Hill cemetery with other members of her family.

Relatives, familiar with her habits, believed Miss Pomin arose around 5 p.m. She either fell or fainted and struck her head against the corner of a kitchen table. She managed to reach a telephone and called her sister, Mrs. Janet Watson, who in turn summoned their brother, Ernest H. Pomin, and his wife, and the three hurried to aid the stricken woman.

Dr. George Hahn was summoned from Truckee but when he arrived the victim was beyond medical aid and expired soon thereafter.

An autopsy revealed that death was caused by the fall. Miss Pomin had recently undergone a major operation and it was believed that the shock from the fall caused her death.

Only Saturday she had enjoyed a family reunion at the home of Mr. and Mrs. Stanley Pomin at Sparks, Nevada.

Miss Pomin was born 70 years ago on April 30, 1883, in Glenbrook on the Nevada side of Lake Tahoe. She was the daughter of the late Captain and Mrs. Ernest J. Pomin and a sister of the late Maggie Pomin, who passed away in the early 30s.

Miss Pomin for many years assisted her sister, Mrs. Watson, then postmaster, in the Tahoe City post office and is widely and favorably known in the Lake Tahoe area. For years she resided in the old family home near the lakeshore in the vicinity of the old car barns but about three years ago built a comfortable modern home next to the N. R. Mayfields' on Grove Street, where she lived alone.

Her many friends and neighbors will deeply regret her passing and deepest sympathy is extended to members of her surviving family. E. H. Pomin and Mrs. Watson are her only surviving brother and sister. There are several nieces and nephews.

THREE BABY GIRLS ARRIVE RECENTLY AT HOSPITAL HERE

Three recent newcomers in this area were announced this week by attaches at the Tahoe Forest Hospital.

Deborah June Schneider, six pounds and three ounces, has joined the Jackson S. Schneider home at Truckee. She was born September 9 at 1:36 a.m. Dr. George Hahn was the attending physician.

On September 23 a baby daughter was born to Mr. and Mrs. Robert M. Moore of Kings Beach. She weighed six pounds, 10 1/2 ounces and Dr. Jose Nessim attended.

Mr. and Mrs. Richard Astle of Kings Beach are parents of a baby daughter born September 25 at 9:34 a.m. The little girl weighed six pounds and Dr. F. W. Gorham was the doctor in charge.

ROTARY TO MEET WITH LIONS CLUB

The Truckee Rotary Club will hold next week's meeting with the Lions Club Wednesday evening at Donner Lake Lodge. Sheriff Wayne Brown of Nevada City will be the guest speaker.

Local Rotarians were entertained with a series of sport movies furnished by George Bettencourt at last Monday night meeting. Johnnie Richards presided over the meeting with Orval Vaughan acting as program chairman.

Darrell A. Knoefler was taken into the club as a new member. Visiting Rotarians were Dr. Hollis E. Snell and Virgil S. Hollis, both of Loyalton.

SIXTH GRADERS VISIT NEWSPAPER

The sixth grade class from the Truckee Elementary School Friday visited the offices of the Sierra Sun where they learned of the details involved in publishing and printing a newspaper. The class is planning its own newspaper and was seeking pointers. The 32 pupils were accompanied by their teacher, Miss Patricia Meddaugh, and Principal Lynn Kishbaugh.

Back from South—

Mr. and Mrs. Joe Carter have returned after a brief visit in Los Angeles.

Tahoe-Truckee School District News

KINGS BEACH SCHOOL
Kindergarten & 1st Grade: Monday, Susan Graton's little sister, Gale, came to visit our class. Other visitors this week were Catherine Bock's mother and little brother.

Michael, Susie and Marianne Strebel from Los Angeles.
Paula Martin brought a tree toad for our science table and Kathleen Malley brought her pet turtle for us to watch.
Jill and Judy Robert brought a large bouquet of purple, white and yellow flowers for our room and Amy Arndt brought several small bunches of yellow daisies.
2nd & 3rd Grades: Thursday we wrote letters to Mrs. Carol Howard, postmaster at Kings Beach.

ELECTRICAL TIPS FOR THE HOME

FLOOR OUTLETS are the answer to home owners who want electrical connections in unorthodox places. Use them for island furniture groupings, near room dividers which may contain a study desk, radio, TV; or in front of a floor-to-ceiling glass area which prohibits the use of wall outlets.

WINDOW OUTLETS If you're building or remodeling, consider a window outlet for valance lighting. Have the outlet placed at the top of the window frame and as near to it as possible so that the valance will cover the device. Switch control can be on the valance itself or from the door.

We asked her if we may come to visit the local post office.
Mrs. Paul Silbaugh visited our class Wednesday. She is the mother of Suzanne and Nancy, our 3rd grade twins.
We put up new pictures of community helpers from different communities.
During social studies we had a lesson on addressing letters. We also learned about the dead letter office.

Joe Malley brought his large turtle to our room. Now we have two turtles on our science table.
Larry FFree found a huge piece of petrified wood on the school grounds. A section of tree bark had turned to stone. We have this on our science table.

4th, 5th and 6th Grades: This week we welcomed Pat Prince to our school and Diane and Freddie Davis left for Fairfield.

The 4th and 6th grades have completed tests. These tests are used to discover the abilities of children in various subjects and as a basis for replanning the learning program.

Gwen Mizner brought our class two bouquets of flowers. These flowers help to brighten our room.
Philip Mandeville brought our white dove some food.

Diane Davis gave our class three painted pine cones on a cord. These are hanging on the wall to remind us that fall is here.

TAHOE LAKE SCHOOL
1st & 2nd Grades: To start off the year, Health and Safety are the main social studies units in our room. Discussions, chart stories and pictures are the beginning work projects.

3rd and 4th Grades: In our assembly with the 5th and 6th grades last week the following children took part: Michael Marvin, announced; Jeanne Spitsen, Vic Sartor, Jerry Grinstead, Bruce Scott, Janey Whitaker, Sandra Fellows and Vicki Jo Rich recited poems; Karen Grahn, Joe Sheehan and Gloria Drum sang songs.

5th & 6th Grades: The following people in our room took part in our assembly last Friday: Doug Ball announced the program; Sherry Thatcher played a piano solo; Carolyn Henry, JoAnn Pomin, Ellen Rich, Carol Stratton and Sherry Thatcher put on a skit; Roberta Buford, Diane Speeter, Judy Fanger, Sherry Briner and Carolyn Henry did vocal solos.

We all enjoyed the assembly and hope to have another next month. We were especially happy that Jerry Gorham was able to take flash pictures of the show.

DONNER TRAIL SCHOOL
This week was testing week and we completed all of our tests for the district and county program. We also had our regular weekly tests. In our science class we studied

New Governor Able, Affable, Ambitious With Careers in Mining, Law, Politics

by HENRY C. MacARTHUR
SACRAMENTO—(CNS)—A new era in California politics commenced at 12:01 p.m. Monday when Goodwin J. Knight became the 31st governor of the state.
At the same time, Harold J. Powers, state senator from Modoc County and president pro tem of the senate, automatically became the lieutenant governor in Knight's place.

With the transition, sweeping changes in the faces of state government heads are expected, with the new governor having some 200 positions he can fill at his leisure. The changes, of course, are not slated to come all at once but slowly as Knight gets his feet on the ground as California's chief executive.

Both Nominations
Knight is almost as well known to the people of California as his predecessor, former Governor Earl Warren, new U. S. supreme court chief justice. First elected lieutenant governor in 1946 and re-elected in 1950 when he secured the nominations of both the Republican and Democratic parties at the primaries, he has devoted much of his time to building up his political prestige throughout the state with the eventual object of running for governor.

He planned in 1950 to make the face against Warren but almost at the last minute decided against it and ran to succeed himself instead. Subsequent events showed his choice a happy one, for he now will be a candidate in 1954 as the state's incumbent Republican governor, a fact which will give Knight a terrific advantage over any opponent in either party.

California's new governor is a highly personable man, affable to the extreme, and highly anxious to please all the people. But under his pleasing exterior, he has demonstrated already during his more than 40 short terms of service as acting governor that he can stand up to pressure and not be needed into decisions contrary to the law of the state.

Mingled Career
The new governor has had some-

ed the many products of the cane sugar industry. We had samples from the manufacturing companies of their products as well as booklets telling of the uses for the cane. We also had a science class on the polarized light unit. In this class we had real lenses from the manufacturers showing just how we could cut out the light by turning the lens.

what of a chequered career, mingling mining with law and politics. Born in Utah, he nevertheless has spent most of his 56 years in the state of California and attended public schools in Los Angeles. On graduating from high school, he worked for a year in the lead and zinc mines of southern Nevada and was, as well, a newspaper reporter in Los Angeles. Later he entered Stanford University and completed his college course after returning from service in the U.S. Navy during World War I.

He studied at Cornell for a year under a Telluride Scholarship and was admitted to the California bar in 1921. Since then, he has been in the law business and in addition to his legal and political activities, he owned and operated gold mines in Kern County.

Early Progressive
Knight's first experience in politics was back in 1910, when he distributed handbills for Hiram W. Johnson, who ran for governor during that year. He was appointed a judge of the superior court in Los Angeles County by former Governor Frank F. Merriam, a position he held until he ran for lieutenant governor.

Consequently, his career has given him experience in various fields with which to assume the office of governor. He has had varied law experience in private practice and has sat as a judge.

In addition, he has had the opportunity to meet the problems of private business as a man engaged in private business through the operation of his mines. Because of his mining experience, he is expected to lend a sympathetic ear

to the needs of California's original and still large industry.

As presiding officer of the state senate, he has had ample opportunity to acquaint himself with the inside working of state government and hence comes to the governorship not as a novice but as a governor with the political experience which will enable him to call the turn on those who would save his administration for one gain or another.

A Natural Mixer
Knight is a widower, his wife having passed away last year. He has two daughters, Marilyn, who is Mrs. Robert A. Eaton of Los Angeles, and Carolyn, a student at the University of Southern California.

A natural mixer, Knight belongs to lodges, fraternities, veterans organizations and several clubs. He also heads up a number of welfare organizations.

During the past several years, Knight has followed a hard schedule in attempting to appear at as many functions as humanly possible. He is expected to keep this up, although the schedule probably will be curtailed somewhat because of the duties of the governorship.

TRAVEL WITH A BAG
Do your part in helping keep our highways clean. Carry a paper bag in car for refuse and trash. When full, place it in roadside receptacles or in your trash can when you get home.

MISSING PERSON

TAHOE CITY—The whereabouts of Ernst Albert Wieland are sought by Mrs. Marie Henry at Tahoe City, chairman of home service for the American Red Cross unit, at the request of his brother, Eugen.

Wieland was known to have been employed in this area during 1953 as a baker and anyone knowing his address is requested to contact Mrs. Henry.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

September 29, 1953
To Whom It May Concern:
Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:
Hwy. 40, 1 mi. E. of Norden, Placer County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows: On Sale General (Seasonal Quarterly).

Anyone desiring the protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Brockway had a call from their son, Raymond Martin, from Los Angeles saying he was married on September 26 to Beverly Jean Ferrell at a quiet wedding in the Southwest Community Church by Reverend Schmit. The young couple who stood with them were Ray's buddy, Kenneth Keplinger, and Dorothy Ferrell, sister-in-law of the young bride. Other guests were her parents, Mr. and Mrs. Albert Ferrell Jr., Mr. and Mrs. Harold Anderson, Mr. and Mrs. Harry Nichols, her grandparents, Mrs. Kenneth Keplinger, Albert Ferrell Jr. and Richard Ferrell. The bride and groom are living in Los Angeles where both are working. Ray was discharged from the U.S. Navy in Norfolk, Va., last April.

Mr. and Mrs. Jack Braden have left their beautiful cottages at Kings Beach for quite a trip, during which Mrs. Braden will undergo some sort of surgery treatment. We wish her the best of luck.

The Ashtons are quite active, too. Dave and Marguerite are on their way to Iowa on a visit to Mrs. Ashton's daughter and Dave hopes to get in some good pheasant hunting. Joelyn is attending Pasadena City College for the winter and Dave will stay with his grandparents at Kings Beach while his dad is away.

Congratulations to the Bob Moores of Tahoe Vista upon the arrival of a bouncing baby girl, Cyd Denise, on September 23, weighing 6 pounds 10 ounces.

Charles Stich, father of Mrs. Margaret Madden, from Arlington, N.J., arrived at the Madden home in Tahoe Vista during the week and will enjoy at least a month there. He doubts he will want to leave this beautiful lake when the time comes.

The H. T. Kings, I Lear, have

sold their home on the Truckee-Brockway short-cut. Dorothy tells me they are going to build cabins on their property at the bottom of Brockway Hill. Mrs. King's mother Mrs. Jessie Donally was here for a short stay but has left with Florence Miles, who was here for a few days. Mrs. Donally will probably make her home with Mrs. Miles at Palo Alto.

Mr. and Mrs. Dan Strebel of Alhambra, long-time friends of the Christiansens and the Charrisons, were visitors at the Christiansens' Beachside Cottages, Kings Beach, during the week. They were accompanied by their two lovely daughters, Marianne and Susanne. They are sure in love with Tahoe.

Just received a card from Mrs. Ella Blake of Golf Course Road in Kings Beach. She informs us she is sojourning in Mexico and having the time of her life in Mexico City. She says if you haven't seen that city "you ain't seen nothin' yet."

Hats off to the Harry Comstocks and their Brockway golf course. The big improvements on the course are a real asset to our community. The new clubhouse, new fence and the improved parking facilities all have gone a long way in bringing credit to our beautiful community. This playground is instrumental in bringing a fine class of people to the area.

After a visit to Paradise, where her mother was quite ill a few weeks ago, Alice Sorensen found there was a marked improvement in her condition. We sincerely hope it will continue.

One of the bright spots on the lake this winter should be Crystal Bay, as there are quite a lot of business places intending to stay open. Among these are Cal-Vada Lodge, Cal-Neva Biltmore, Crystal Bar, Sierra Lodge and others.

Now it is four beautiful girls for the Robert Arneys. The latest addition is a baby girl, Robin Gayle, born in a Carson City hospital on September 22, weighing 7 pounds 11 ounces.

Congratulations to Elsie B. Martin, realtor, on the opening of her new and attractive building at the east entrance of Tahoe City.

If you have any news, just telephone Brockway 354 or Tahoe City 17, or drop me a note. Let's make the news of our area as interesting and varied as we can.

Wyman Williams of Pasadena arrived at Kings Beach this week to join his wife who is staying with the Arnold Miedemas for a month. Williams is a building contractor and reports heavy activity in southern California.

To the folks that have already left the lake area and receive the weekly issue of the Sierra Sun at

Our Great America ☆ by Woody

MAIN IS INVITED TO DISCUSS BOAT LAW WITH BOARD

AUBURN—Fred Main, auxiliary officer of the Coast Guard at Tahoe City, has been requested by the Placer County board of supervisors to attend a future meeting to discuss the matter of speed-boat control at Lake Tahoe.

Alfred T. Johnson, appearing before the board last week, complained about having been run down early in the summer by a speed-boat while fishing at the lake. He complained that instead of the boats staying out in the lake, they come in near shore and run at a high speed. He also stated that many of them are piloted by children, many of them being under 10 years of age.

The recently passed Placer County ordinance governing boats on inland waters cannot apply to waters which are declared navigable and are controlled by the U. S. Coast Guard.

SIERRA SUN ADS PAY!

their winter address, the weather is beautiful, the lake is like glass. In fact, you are missing the best part of the year and we winter inhabitants miss you too. Drop us a line about your activities so that we can tell the other folks.

TAHOE ARTIST'S WORK IS SHOWN IN RENO LIBRARY

TAHOE CITY—A series of ten paintings by Edna Miller of Tahoe City were recently placed on view in the main reading room of the Washoe County Library at Reno. The exhibit consists of a group of pictures including "Vikingsholm on Emerald Bay," "A Walk in the Woods," "A Mountain Cabin," "A Magic Carpet," "Twilight Time," "Deep Water," "Smoky Mountain Shadows," and "Eagle Lake."

The display is sponsored by the Nevada Artists' Association. The artist is a member of the association and has been studying art and painting for a period of ten years. She has had training in the commercial art field and has studied extensively in the methods and literature of the fine arts.

INDUS RIVER

The Indus River, which rises in the Himalaya Mountains, is approximately 1700 miles long.

WOMEN'S CLUB FOOD SALE FOR NEW AMBULANCE

TAHOE CITY—The Women's Club of Tahoe held a steak luncheon meeting at Bacchi's Inn last Thursday with 26 members and a guest present.

A food sale will be held Wednesday, October 14, at Jack and Dinty Market in Tahoe City from noon to 4 p.m. Proceeds from this sale will be donated to Tahoe City's Ambulance Fund. Anyone not wishing to contribute food or buy any of the delectable food on display, cash donations will be appreciated since the area sorely needs a new ambulance. Mrs. Sara Hunter is chairman of this sale.

WEATHER

TAHOE CITY—The level of Lake Tahoe on Monday morning was 6228.15 feet above sea level with four gates open, according to A. E. Frodenberg, cooperative observer.

Daily high and low temperatures for the week before were Sept. 28th: 65, 41; 29th: 68, 32; 30th: 68, 32; Oct. 1st: 60, 34; 2nd: 51, 30; 3rd: 57, 29; 4th: 62, 31; 5th: low 33.

Tahoe-Truckee School District News

(Received too late for insertion in issue of Oct. 1)

TRUCKEE ELEMENTARY

Kindergarten: This past week has been a busy one with many new things to see and do. On Thursday two 3rd graders brought in their lizards to show us. Friday Helen Kohl brought her pony to school. We all enjoyed seeing and petting him.

Each member of the class has a special place to sit now. The five tables are each marked with a colored picture of our toy soldier and with the names of each child and his symbol. This helps us to recognize colors and our names when we see them.

We were sorry that Jackie Finnegan had been quite ill with the flu. Kenny Partridge was welcomed to our class as a new member.

1st Grade: Our unit on "The

Home and the Family" is progressing quite well. The children worked on their scrapbook during art period and drew pictures telling about the work done by their father. These will be posted in the scrapbook and children will write stories to go with each picture.

The enrollment has grown from 18 on registration day to 26 at the end of the third week of school. Attendance has been very good during the first three weeks and we are all working toward keeping up this good record.

2nd Grade: We painted a picture of a train with ten cars. Rod Leisner painted a very realistic engine. Betty Baysinger, Carol Graik, Eric Scow, Lois Donaghey, Bonnie Fair, Diane Cardinal, Karel Kielhofer, Robby Kasian, Steve Besio, Leilani Braasch, Wilana Curran, Evelyn Hintz, Lynn Quartly, Sue Guvmer painted box cars, flat cars, a milk car, a caboose, tracks and background. Lewis Heil, Lynn Quartly, Betty Baysinger, Sherrian Donnis, Leilani Braasch, Robby Kasian, Wilana Curran, David Carr drew pictures to hang upon the bulletin board.

3rd Grade: We welcome John Partridge, Gail Johnson and Fred Steele to our 3rd grade. This brings our enrollment to 34.

In arithmetic we are working on basic addition and subtraction. At present we are in three reading groups. For our science class, Dennis Whiteneck brought two small lizards and Linda Hiezer brought several grasshoppers. Joe Parkhurst brought a caterpillar which spun a cocoon that we are watching to see develop into a moth.

4th Grade: by Olivia Montano: On September 30, Mr. Nelson Stone of the Forest Service took us on a field trip to the reforestation site.

We divided into three teams for an arithmetic review contest. David Ayala was our scorekeeper. We have been playing kickball with softball rules. Some of us have been playing baseball too. Martin Johnson, Barry Leamon, Terry Walker, James Cook and other boys are building forts like John Sutter's.

We have learned two new songs this week and enjoy singing just before we go home. There are 33 children in our class now.

5th Grade: The class held an election last week to fill the va-

cancy of secretary-treasurer. All officers advance to the next office after serving a 3-week term. Those just completing this period are Bill Notley, president; Beth Smisek, vice president; and Lily Cushing, secretary-treasurer.

The social studies committee is doing a fine job of handling their research assignments. Many fine charts are being made. Douglas Single and Roy Chaney are making a time chart on which they are placing important dates of discovery.

6th Grade: The class decided it would keep a record of the things they learn from day to day. Nona Rae Coffey was given the job of class reporter to keep this information.

Three committees gave reports on their social studies projects. Turra Ann Kaylor, Lydia Craig and Christie Johnson gave a report on "Roads and Streets in Canada" together with pictures they drew. Susan Scow told of "The Value of the Royal Canadian Mounted Police" and illustrated her report with a self-drawn colored picture. Ireda Harris and Arlene Copeland reported on "Foods Eaten by Canadians and Grown by Canadians." This information was illustrated by colored diagrams.

DONNER TRAIL
This week we decided that we would keep spring in the school by bringing a representative group of growing plants from our surrounding area. We made little flower pots and each of the children brought in a small plant to grow throughout the year. So far the plants are doing fine.

The class as a group is studying electricity and its uses. We have a small B battery and a large storage battery for a source. The groups are divided and each one will make a different type of motor. They will find their own ideas and sketches themselves.

KINGS BEACH SCHOOL
Kindergarten & 1st Grade: Since

our social studies unit is "The Home," the first graders have begun scrapbooks showing pictures of their own families. Some were able to bring real snapshots of their families while others brought pictures they had cut from magazines.

Wayne Mandeville and David Reed each brought a record for the class to hear.

Our class decided to turn our two tree-toads out so they would be free. We thought they might die if we kept them inside any longer.

We had a white dove visit our class this afternoon. We thought Angel would be a good name for him because when he spread his wings he looked like an angel.

2nd & 3rd Grades: Carl Howard, the Kings Beach postmaster, donated two 8x10 inch photos of the Kings Beach post office and the main street in Kings Beach. We are studying our community during social studies.

Mrs. William Bock, Marianne's mother, and Mrs. Opal Cline, Caroline's mother, visited our classroom recently. The Cline family will be returning to Stockton soon. Dr. and Mrs. Bock are moving to Palo Alto, where Dr. Bock will start his practice. We hope they like their new homes and we will be looking for them next spring.

Our science table is very lively these days. Every day our two frogs croak for us. Our turtle, crickets and grasshoppers are well cared for by the class. The day we studied about frogs, we learned how they croak.

Lynn Chatwain is wearing his new glasses.

Cathy Arney proudly welcomed another baby sister. Her newest sister has been named Robin. Now Cathy has three sisters. Robin was born September 23 at Carson City.

4th, 5th & 6th Grades: We have a live science exhibit in our room. Mrs. Bill Althof gave our class a white dove and we enjoy it very much. When the classroom is very

quiet, he will serenade us with his low coo. The class decided to name him Dickie.

The class has finished the research about the American colonies before the United States were formed. Our reports have been very interesting.

Our music class has been devoted to learning the meaning of the key and time signature in a song.

TAHOE LAKE SCHOOL

Kindergarten: This week the kindergarten has been learning to use scissors. Most of us have learned to count to ten and some of us can count farther. We also know the colors red, green, blue, yellow, brown and black.

Mr. George Tiffie made us a coat closet and now we can hang up our coats.

3rd & 4th Grades: We are beginning a study of the area where we live. Last week, Vic Sartor, Jerry Grinstead and several other children made a map mural of the route the school buses follow. The children then drew pictures of their own homes and placed them as close as possible to the correct location.

Sandra Fellows, Vicki Jo Rich and Wayne Poulsen brought maps

of Lake Tahoe to school. From these maps we figured distances from place to place.

In the spelling review tests Parky Becholdt, Jerry Grinstead, Vic Sartor and Sharon Quinn had perfect papers.

5th and 6th Grades: Our class enjoyed an outdoor art period last week. We sketched, colored and painted outdoor scenes.

John Gorham, Albert Gelmstedt, Jimmy Huega and Chris Poulsen, the four boys who helped our cook, Mrs. Brown, in the kitchen last week set a new record in getting things tidied up.

Jimmy Huega, JoAnn Pomin, Chris Poulsen, Ellen Rich, Jeff Davis, Judy Fanger, Jerry Prioste, Diane Speeter and Sherry Tatcher all had perfect spelling test papers.

Mount Rainier is a towering, ice-clad, extinct volcano.

NOTICE OF TIME AND PLACE OF TRUSTEE'S SALE OF REAL ESTATE UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that on Friday, the 30th day of October, 1953, at the hour of 10:00 o'clock A.M. of said day, at the main entrance door of the County Court House in the City of Auburn, County of Placer, State of California, the undersigned, as substituted trustee, will sell at public auction to the highest and best bidder, for cash in lawful money of the United States of America, payable at the time of sale, all of the following described real property situate, lying and being in the County of Placer, State of California, particularly described as follows, to wit:

PARCEL 1: The North half of Section 4, Township 15 North, Range 16 East, M.D.B.&M., consisting of 309 acres.

PARCEL 2: The Southwest quarter of the Northeast quarter and the Northeast quarter of the Southwest quarter and the Northwest quarter of the Southeast quarter and the Southeast quarter of the Northwest quarter of Section 6, Township 15 North, Range 16 East, M.D.B.&M., consisting of 160 acres.

Said sale will be made to satisfy the obligations secured by and pursuant to the power of sale contained in that certain deed of trust dated the 30th day of June, 1950, recorded the 18th day of July, 1950, in the Office of the County Recorder, County of Placer, State of California in Book 572, at Page 124, Official Records of said County of Placer, executed by ALTON A. JACK and ELLA E. JACK, husband and wife, as trustors, to INTER-COUNTY TITLE CO., a Corporation, as Trustee, and to A. J. RUPLEY and FAY M. RUPLEY, husband and wife, as joint tenants, as Beneficiaries, and given to secure the payment of a certain promissory note of even date therewith in the principal sum of FORTY SEVEN THOUSAND FIVE HUNDRED DOLLARS (\$47,500.00), payable to the said Beneficiaries, or order, and of all other and additional sums which might thereafter be loaned to the Trustors by said Beneficiaries or by the owner and holder of the promissory note secured by the said deed of trust.

The undersigned was substituted as Trustee in and under said deed of trust in the place and stead of INTER-COUNTY TITLE CO., a corporation, the Trustee therein named, by an instrument executed by FAY M. GUNBY, formerly FAY M. RUPLEY, the surviving beneficiary under said deed of trust, dated August 31, 1953, recorded September 4, 1953, in Book 635, at Page 308, Official Records of said County of Placer, to which said record reference is hereby made.

Notice of breach and election to sell under said deed of trust was recorded in the Office of the County Recorder of said County of Placer, State of California, on March 12, 1953, in Book 624, at Page 527, Official Records of said County of Placer, to which said record reference is hereby made.

This notice is given in compliance with a demand heretofore made on the undersigned substituted trustee by the said FAY M. GUNBY, formerly FAY M. RUPLEY, the present owner and holder of said promissory note and trust deed.

Dated this 4th day of September, 1953.

STATE AND COUNTY GOP LEADERS TALK OVER PLANS FOR '54

Chairman A. Ronald Button of Hollywood and Vice Chairman Thomas W. Caldecott of Berkeley for the Republican State Central Committee met recently in Grass Valley with Nevada County Republicans as part of a statewide

STATEMENT OF OWNERSHIP, MANAGEMENT AND CIRCULATION REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) Of Sierra Sun and Truckee Republican published weekly at Truckee, California, for September 30, 1953.

1. The names and address of the publisher, editor, managing editor and business manager are: Publisher Walter M. Barrett, Truckee, Calif.; Editor Walter M. Barrett, Truckee, Calif.; Business Manager Harriett K. Barrett, Truckee, California.

2. The owners are Walter M. Barrett, Truckee, California; Harriett K. Barrett, Truckee, California; Douglas Barrett, Truckee, California.

3. The known bondholders, mortgagees, and other security holders owning 1 per cent or more of the total amount of bonds, mortgages, or other securities are: None.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do now appear upon the books of the company as trustees, hold stock and security in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was 1040.

Walter M. Barrett, Publisher Sworn to and subscribed before me this 30th day of September, 1953. C. B. WHITE (Seal) My commission expires April 26, 1957.

A. Ronald Button, state chairman of the Republican party, who recently conferred with Nevada County GOP workers at Grass Valley.

grass roots political tour to develop plans for the 1954 state and congressional campaigns.

Douglas Barrett of Truckee, as chairman of the county central committee, presided at the meeting, arranged by Secretary Elton Williams of Grass Valley. Also par-

ticipating from Truckee was W. W. Porter, an associate member of the state central committee.

"There is no time to waste in building the California Republican organization for 1954 campaigns so that we will be able to give President Eisenhower more support at the national and state levels," Button declared. "This is a key state in the national political picture and next year California's voters will elect a governor, lieutenant governor and other state constitutional officers. They will elect a U.S. Senator and 30 representatives in congress, and they will elect 20 state senators and 80 assemblymen."

Button continued, "We must re-elect and hold all of the seats in the congress and the state legislature which are now Republican and we must win additional seats. Here in Nevada County you have an opportunity to help President Eisenhower by supporting Republican candidates for congress, for constitutional offices and for the legislature."

Button and Caldecott were accompanied by Robert Fahs, Los Angeles, executive secretary of the state central committee, and Chester A. Arthur, San Francisco, administrative assistant to the chairman.

DEMOCRAT HEAD IN COUNTY NAMED FUND CHAIRMAN

James W. Sharpe, Nevada City Democratic chairman for Nevada County, has been named area chairman of the Jefferson Jackson fund drive, it was announced this week. The annual campaign provides funds for the state and national Democratic committees and is climaxed by the Jefferson Jackson Day Dinner, held this year on October 17 in the Fairmont Hotel in San Francisco.

U.S. Senator A. S. (Mike) Monroney of Oklahoma will be featured speaker. More than 1700 Democrats from the 48 counties comprising the northern division of the state central committee are expected to attend.

Those contributing \$25 or more to the fund drive are invited to attend the dinner.

Senator Monroney, a former newspaperman, is serving his first term in the U. S. senate. A veteran of congressional service, he previously served 12 years in the house of representatives.

TAHOE ARCHERS MEMBERSHIP 100, SOME BAG BUCKS

KINGS BEACH—The Lake Tahoe Archers' Club, with headquarters in Kings Beach, now counts its membership at over 100, with about one-third of these active archers. Max Krueger is president.

This season five members brought in their bucks with bow and arrow, including Mrs. Betty Powell of Kings Beach, who shot her 135-pound forked horn at 35 yards. Walter Mandeville of Kings Beach bagged at 140-pound deer in Nevada and Lloyd Frye, Kings Beach got a 125 pound forked horn.

Two members from Reno, John Dodge and J. Boble, were on their way home after an unsuccessful hunt here when they spied two deer along the highway, each getting one around 100 pounds on the closing day for archers.

Among other Kings Beach people getting deer since opening day are Ernie Crawford, a 165-pound four pointer near Sawmill Flat; Harvey Martin and Billie Powell, each a forked horn; and the large bucks of Larry Rood and Clarke Allen, each of which weighed around 200 pounds, each killed near Brockway Hill. (es)

Lake Tanganyika in Africa has an area of 12,700 square miles.

Uruguayan Navy Officers Visit U.N.

Members of the crew of the Uruguayan frigate "Montevideo" visited U.N. Headquarters during the ship's recent visit to New York. Standing with them in front of U.N. General Assembly and Secretariat buildings is Professor Enrique Rodriguez Fabregat, Permanent Representative of Uruguay to U.N., who acted as their guide.

12 BED PATIENTS PER DAY REPORT OF T. F. HOSPITAL

Records of the Tahoe Forest Hospital show an average of 12 bed patients a day during the months of June, July and August. The comparative figures for last summer in highway accidents treated showed a decline.

Preparations are currently going forward at the hospital for the expected influx of winter sports patients, where broken bones provide the major injuries. Hospital officials point out that there is a marked contrast between this type of accident and the tragedies enacted on the highways.

Officials of the hospital praised the medical and hospital staff for the way they have responded with time and effort.

WOOL IMPORTED
About half of Iraq's 1952 exports to the United States was represented by unmanufactured wool valued at \$4,658,786.

RATIO OF NEEDY IN THIS COUNTY IS OVER AVERAGE

About 60 people per 1,000 population in Nevada County are getting one or another kind of direct public aid as needy, compared with about 39 per 1,000 throughout California and the nation-wide average of about 29 per 1,000, California Taxpayers' Association said this week.

In the county, 1254 people were on the public relief rolls for July, 1953. Of these, 881 were receiving aid as needy aged, 23 as needy or partially self-supporting blind, 280 as needy children and 70 as general county indigents. Population of the county at January, 1953, was estimated at 20,900.

Statewide, there were 461,108 people receiving aid to the needy

PERMITS TO BUILD AT CRYSTAL BAY

Among the 29 building permits issued in Washoe County, Nevada, during September were two in the Crystal Bay, Lake Tahoe, area. E. H. Heller was given a permit to construct a caretaker's cottage valued at \$5,000 and H. A. Riley received a permit to build a \$2,000 garage.

IT'S WISE TO ADVERTISE!

during July. Of these, 270,822 were on the aged aid rolls, 11,812 were receiving aid as needy or partially self-supporting blind, 135,848 were needy children and 42,626 were on the general county relief rolls. Population of California at January 1, 1953 was estimated at 11,830,210.

Ever See Dirt
Under a Microscope?

If you have ever looked at dirt under a microscope you would see, for the most part, tiny, odd-shaped stones with knife-like edges. This grit actually cuts into the fabric of your clothing and causes it to wear faster.

Regular and expert dry cleaning will remove these particles and keep your garments in shape for longer wear. Let us handle your dry cleaning needs. You will be pleased with our complete service.

Swanee's Letter

Tahoe City, Oct. 5

Dear Tahoeites:

Birthdays and anniversaries galore prevail at Tahoe City during September and October, a few of those which 'Rie Henry brings to our attention including:

Ernie and Northie Pomin of Tahoe Park Cottages, married 53 years on October 2; the galavatin' Carlton O. Valentines of Costa Mesa (former Tahoeites) married 57 years September 28; the Joseph Duffees, former Tahoeites now in Sacramento, wedding anniversary October 2; the C. W. Vernons of Tahoe City married 42 years on October 5, the A. M. "Joe" Henrys of Tahoe City, celebrating 36 years of wedded bliss on October 10, with Charles Swanson observing his 83rd birthday the same date and still hale and hearty; Frank Kennedy of Tahoe, birthday September 22; Lillian (Vernon) Parr of Oakland, birthday September 20; Louise Geier, birthday September 29; Jean Henry and her friend, Mrs. Dave Donaldson of Oakland, celebrating their joint birthdays on September 25; "Joe" Henry, birthday on September 26; Elsie Bell Becholdt, birthday September 28; Mr. and Mrs. Carl Becholdt Sr., married two years September 26; Carl Becholdt Jr., birthday October 1; the W. A. Simmonds, observing their 29th wedding anniversary on October 15, which is also the date of the birth anniversary for Joe Pomin of Tahoe Pines and Carl Becholdt Sr.; Bill Becholdt's natal date on October 18 and Verne Daniels birthday on October 21. To all and each we extend congratulations and many happy returns.

Visitors at the Jake Stuart home in Lake Forest over the weekend were her bachelor brothers, E. O. Bieser of Harper, Kansas, and W. H. Bieser of Wakita, Oklahoma.

The family enjoyed a marvelous visit and the visitors returned home last Friday morning.

The Bud Scotts of Mirimar Heights combined business with pleasure over the weekend, visiting his folks, the Bert Scotts, in Piedmont during their stay in the bay region.

Hunters are becoming more scarce as the season continues and the bucks apparently are even "scarcer." The Forest Service station at William Kent Campgrounds has validated no deer for a number of days. Dave Donaldson of San Leandro, who visited at the Al Henry Jr. home recently with his wife, bagged a 110-pound forked horn while here. Constable Harry Johanson of Tahoe City has validated the following bucks during the past week: a 150 pound three pointer shot by John Baldwin at Sawmill Flat, a three-pointer for Jav Shontz of Tahoe City at Shank's Cove. Weather continues good but deer are scarce.

The Albert Millers of Tahoe Park have returned to their home at the lake following a visit to New York. They were dinner guests of the Bud Scotts Saturday evening.

Carl Becholdt Jr. is making excellent progress toward recovery from injuries received in a recent automobile accident. Although his right broken shoulder remains in a cast, he gets around fine and is almost back to normal.

Mr. and Mrs. P. F. Westerberg, hop growers of Sloughhouse, have returned to their ranch home following a vacation spent at their attractive lakeshore home in the Sunnyside District.

Mr. and Mrs. Imon Mitchell on last Thursday evening hosted a pleasant social evening with the guest of honor Mrs. Carrol Raymond of Tahoe City. Refreshments were served and a pleasant time had by all. Those attending in-

Churches Send Dry Milk Overseas

Shown left to right: John H. Davis, President of Commodity Credit Corporation, U. S. Department of Agriculture; Bishop William C. Martin, President, National Council of Churches; Dr. Lynn Fairfield, Director, Church World Service; Carol Mahn, 4-H Club member, Milwaukee county, Wisconsin.

Church, farm and government cooperated in the preparation of a Friendship Cup of milk, symbolizing the donation of approximately 100,000,000 pounds of dry skim milk by U. S. Department of Agriculture shipped by several church and welfare organizations to underfed people in other lands. The Friendship Cup ceremony took place at the Service, agency of the National Council of Churches. The government donated dry milk out of supplies acquired through supporting milk prices to dairymen. Total donations, when water is added, will provide approximately one billion pints of milk.

Milwaukee school children, representing several races, nations and creeds shared milk from the Friendship Cup.

BUCHANAN NEW DISTRICT JUDGE AT SOUTH LAKE

TAHOE VALLEY—Harold R. Buchanan, south Lake Tahoe theater operator, has been appointed judge of the Lake Valley judicial district court to succeed the late John S. Lawson.

He appointment was announced by the El Dorado County board of supervisors who interview four applicants for the post.

The new judge was a candidate for the office at the time Judge

cluded Mesdames Helen Smith of Homewood, Fern Schlueter of Tahoe Park, Eleanor Swanson and Miss Myrtle Rose; Messrs. and Mesdames Fred Cunningham, George Mortimer, Denis Sach and Bill Jenkinson. The Mitchells were business visitors in Auburn on Monday.

Ring off for the week, as gorgeous Indian summer weather continues—beautiful days, with crisp, chilly nights. Autumn is arriving in the Tahoe area, my favorite time of the year, and within a few weeks this area will become one of the most beautiful sights the world has to offer. Bye again, as ever, Swanee.

TAHOE CHAMBER COMMITTEES ARE PICKED AT MEET

TAHOE CITY—The board of directors of the Lake Tahoe-Sierra Chamber of Commerce met at Tahoe Community Center hall at 12:30 p.m. Sunday. President Fred Main presided and 16 directors were present for the first meeting of the new board.

Several committees were appointed, among them the dues committee with Tom Armstrong as chairman and members Fred Main, George Canon, Don Snyder, C. B. Bull, Dave Gilmore, A. J. Ketman and Jeannette Mitchell. The by-law committee, chaired by Mrs. Al Sanford, includes C. W. Vernon, Don Snyder, Bill Jenkinson and Main.

It was decided that half of all dues collected will go toward advertising and resort members will pay a minimum of \$25 per year, with the privilege of purchasing more than one membership if desired. Property owner associate members will be charged \$10 per year. It was decided to retain the Tahoe City office for the time being, with a 16-hour week being maintained to answer correspondence. The committee appointed to find a suitable office secretary is headed by Norman Mayfield and also includes Don Snyder, Jeannette Mitchell and Mrs. Sanford.

Those attending the session included Mesdames Harriett Craven, Clara Sanford, Jeannette Mitchell; Messrs. Fred Main, Don Snyder, C. W. Vernon, C. B. Bull, A. J. Ketman, George Kehlet, Norman Mayfield, J. Lamatrice, Norman Celio, David Gilmore, George Canon, Bill

Jenkinson and Tom Armstrong. Matt Green, long time Tahoe property owner and business man now residing in Sacramento, dropped in to visit briefly.

The next meeting of the board of directors will be held October 23 at George's Gateway Club on the south shore of the lake at 7 p.m. The public is invited to attend the dinner and meeting which follows, although only chamber directors will have a voice in the business of the evening. It was voted to have the books of the chamber audited before the new treasurer takes over. George Canon declared that it was, in his opinion, desirable to retain the Tahoe City office permanently, with "adequate representation" of the chamber at the south end of the lake during the busier summer months. BUY BIG for as little as \$2525.00*

*Local delivered price of the New 1953 Buick SPECIAL

2-Door, 6-Passenger Sedan Model 48D (illustrated)

*Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

WHY should you do yourself out of the big things in motoring life?

Why pass up the room and power and comfort and niceties of big-car travel — when you can buy a big, new Buick SPECIAL for just little more than the price of smaller cars?

We show our price here to prove our point — to prove that you can buy this Buick SPECIAL for just a few dollars more than you have to pay for one of the so-called "low-price three."

Figure what that means—

Just a few dollars more for a lot bigger hoodful of power — Fireball 8 power — the highest horsepower ever placed in a Buick SPECIAL.

Just a few dollars more for big and spacious 6-passenger roominess — and the solid, steady comfort of Buick's famed Million Dollar Ride.

Just a few dollars more for Buick styling, Buick handling, Buick luxury, Buick fun.

But do you know what else those few extra dollars get you in this big, broad, beautiful Buick?

THE GREATEST BUICK IN 50 GREAT YEARS

They get you a long list of standard equipment at no extra cost that most other cars at or near its price charge you for, as extras — which makes our quoted price even lower than it looks.

We have the facts and figures to prove our points. All we need is you, at the wheel.

Drop in on us this week and see for yourself that your new-car money really buys big — in Buick.

MILTON BERLE stars for BUICK — in the BUICK-BERLE SHOW on TV Tuesday evenings. Also, every Saturday, tune in the TV Football Game of the Week — a "GM" Key Event

Summit Scene

by FRAN COUILLARD

Don't believe that spring fever can be greater than fall fever when one lives in the mountains, especially in snow mountains. For when the valley folks start picking their first spring flowers, we are still cleaning up debris behind receding snow banks and it just doesn't feel like spring. However, when fall arrives with its palette of colors and wind stirred paint brushes, we have "caught up" with the seasons, knowing full well that a change in wind or pressure will start the sealing process of winter. Somehow it seems mandatory to get away from it all and more mountain people, we believe, "take off" in the fall than in the spring.

Right now Peg Travis and I get our annual fever and plan our fall exodus to fit in with coastal low tides for our usual clam dig. Our mouth waters as we dream of Oceania clam chowder, clam paddies, clam cocktails and baked clams stripped with bacon and bubbling in sherry. Our clam diggers are packed, our fishing licenses ready and our old tennis shoes slung in the car. Low tides? October 20 to 27 and November 17 to 25, for any of you that are interested.

Jack Woodard of Ski Ranch lights up as he talks of his elk

hunt in northwest Montana in the Rockies. With Herstle Jones, Bob Blackford, Hill Schubert, Johnny Richards and Charlie Osburn contemplating joining him on the big hunt, we wonder if an elk stew is in the offing.

Bob Bouvier, Soda Springs Hotel, dashes in for last minute supplies to augment his camping stuff on his way up to the Klamath for salmon fishing.

Edvi Aro, wife and child, Betty and Lynne, take off peninsula-way for a week's vacation before buckling down to fall routine.

Helen Reynolds spics and spans up the huge Reynolds menage as she prepares for a few weeks take off to Sacramento for youngest son Dick's wedding. Whilst she clears up the after-wedding chores in San Francisco, Dick will bring up new wife Marilyn to the spic and span Reynolds place for a look-see at the Sierra whilst they honeymoon.

Closed up cabins mean Helen and Ernie Johnson have gone back to Roseville to pine for next summer in the mountains; that the Bill Grays have gone, that the Kallens and the Ludwigs have left us, that The Cedars crowd are gone—with car, chauffeur, maid and handy man. That sitters, have been freshly painted and hung mean that the summer mountaineers have left the mountain in its regal fall beauty and we wonder if they know what they are missing.

Chris Windsat has left Soda Springs for Sacramento, where he is constructing a warehouse.

Frank, Irene and Penny Bourdet not daunted by reports of winds and anticipated moisture come back to the mountains for a weekend. Wanda and Virg Misener make us know that they are next

TRAVELER LAUDS EUROPEAN IDEA ON HOSPITALITY

TAHOE CITY—Joe McDonald Sr., Reno newspaper publisher, was the guest speaker at the Tahoe City Rotary Club dinner meeting at Tahoe Inn Tuesday.

A member of the Reno Rotary Club and a delegate among 40 U.S.A. delegates to the Rotary International Convention at Paris, France, last summer, McDonald spoke on the two-month tour some of the delegates and their wives took after the convention, which was attended by over 10,000 delegates from all over the world.

Of the European countries, McDonald had praise for good hotels and hospitality but it was the Scandinavian countries that he especially singled out for their hospitality, food more comparable to American standards and the cleanliness and orderliness of towns and country sides. He said roadsides and forests were not littered with debris and we in America could learn much from the peoples abroad in beautifying highway approaches to our cities and towns.

Comparing landscape grandeur of European and Scandinavian countries with that of the high Sierra, McDonald said he saw nothing abroad that surpassed the view of Lake Tahoe and the surrounding area which he viewed from atop Mount Rose after returning home.

Bob Wray introduced the speaker and Howard Guth presided.

door again by the tap of hammers as they get their place in readiness for a winter guest.

Parties galore last week gave token of anniversary and birthday for mountain folks. Eula Sherritt entertained the Bud Zorichs for Jim Sherritt's birthday. Barbara and Bud went "out" to dinner for their anniversary. The Art Couillards dined in state at the Soda Springs Hotel with Pag Travis, Rhodes Grimshaw and Charlie Van Evera sitting at the groaning board. The Milt Hogles, Bill Rutherford and Chuck Reynolds take a day off to attend the E Clampus Vitus performance in Virginia City—and thus it goes. Elmo and Jean Moriano plan a trip to San Francisco on business for Beacon Hill Lodge. A letter from the Ernie Tschopp says that they might be sojourning in Colorado for a while.

Back from Europe come the Heywoods of Cisco Grove. May we add our observation that Europe seemed to agree with Jim Heywood, who is now on a diet. Also back from a European jaunt is Jane Vinson who just made it in time to take over her Sacramento school teaching job.

Last minute flash! We find that Gloria Parrott augmented her two-girl family with a baby boy in Portland, Oregon. Going to call him Brad and he tipped the scales at over 9½ pounds.

Don't forget your State Chamber of Commerce meeting on October 16 at the Senator Hotel in Sacramento. Ned Richardson is chairman for travel and recreation and great stress is being put on this coming winter's snow programs in the various areas, including Highway 40 area, Highway 50, Trinity area, Siskiyou area, Highways 36 and 24, the Lake Tahoe and Lassen areas.

JOHNSON JOINS PROBE OF UNIONS BY COMMITTEE

SACRAMENTO—Investigation of abuses arising out of supervision of local unions by executive action from their international organizations will be made on a limited basis by the state senate interim committee on labor, according to Senator Harold T. Johnson of Roseville, a member of the committee.

Meeting in San Francisco last week, the committee heard testimony and requests for an investigation into undemocratic tactics of some unions controlling California locals.

"The committee felt that requests for such investigation could not be ignored by it," Johnson declared upon returning from the meeting, "and neither could the committee assume or believe that such conditions exist in the great majority of unions."

The senator said the purpose of the investigation is to determine whether, or to what extent, such abuses exist, and to determine what, if any, legislation should be introduced to protect the democratic rights of California citizens who are union members.

"This investigation will be limited to determining whether and to what extent international officials of unions have taken over and continue to control the administration of local unions within this state," Johnson stated.

The senator said that testimony placed before the committee indicated that some international officers of unions had deprived the local union members of their right to elect their own officers, administer their own finances, or to receive proper accounting of funds.

The committee will concern itself primarily during the interim with a study of workmen's compensation administration, particularly in connection with growing withdrawals from the state's subsequent injuries fund. It will also conduct a study of the need for additional branch pilot offices to be operated by the industrial accident commission.

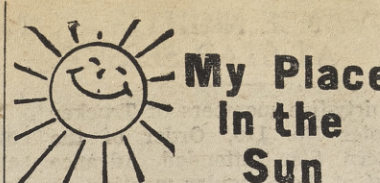

Leaves Tahoe City—

Ernest Hoerdler has left Tahoe City for his home in Covina.

Gone South—

Mr. and Mrs. Walter Franklin summer Lake Forest residents, have returned to Los Angeles.

Minute Ministry

by REV. SIDNEY WINSTON
Pastor, Com. Methodist Churches
Truckee and Kings Beach

Participation in World Wide Communion Sunday by Christians throughout the world may serve to remind us of one of the services that is unique in Christian experience. The elements of bread and wine (fermented or unfermented) are symbolic of the broken body and shed blood of Jesus Christ. Jesus in answering the Jews as to the true bread of heaven said, "Verily, verily, I say unto you, except ye eat the flesh of the Son of Man, and drink his blood ye have no life in you." This may well have been symbolized in the Feast of the Passover celebrated by the Israelites since their deliverance from Egypt, but Jesus later instituted our present Communion with his disciples in an upper room the day before his crucifixion. Anyone who participates implies their belief in his existence and the divinity of his mission; failure to participate implies lack of faith or lack of preparation to show the Lord's death until he comes again. If we do not believe in the divine reality of his first coming, how can we symbolize his death until he comes again?

FLORAL DISPLAY FROM HOSPITAL

Many people were attracted to the floral display in the window of Cabona's store over the weekend. The variety of flowers exhibited was a product of the gardens at the Tahoe Forest Hospital where Chet Burns, hospital custodian, is given credit for the array of beauty. He was assisted by other staff members who take just pride in the landscaping.

TRUCKEE PASTOR BACK FROM DENVER

Rev. S. C. Winston of the Truckee Community Methodist Church reports an interesting trip to Denver early last week. Other members of the party were Rev. Jack McMichael of Upper Lake, Rev. Ed Peet of Sacramento, and Rev. Hillis C. Culver, Del Paso Heights. The occasion was a business meeting of the Methodist Federation for Social Action and a memorial service for Bishops Robert Brooks and Francis J. McConnell, both past presidents of the federation.

KIM ANNE SMITH BAPTIZED SUNDAY

Kim Anne, infant daughter of Mr. and Mrs. Hugh Smith, was christened at a ceremony held in the local Methodist Church Sunday, October 4, at which Rev. S. C. Winston officiated. Mr. and Mrs. Don Singer of Oakland were godparents of the little girl. A dinner given by Mr. and Mrs. Smith followed the rites and was attended by Mr. and Mrs. Harry C. Knight, uncle and aunt of Mrs. Smith from Alameda; Mrs. Mary K. Mendenhall of Walnut Creek, grandmother of the baby; Mr. and Mrs. Lynn Kishbaugh, Mr. and Mrs. Robert Briggs, Mr. and Mrs. Elwood Buehler, Mr. and Mrs. Everett O'Rourke and the godparents.

The church celebrated the Holy Communion during the same service with about 45 in attendance.

TRIAL SET NOV. 4 ON LAKE CAR CASE

AUBURN—Joseph T. Hurlbert pleaded not guilty to a charge of auto theft in the Placer County superior court and Judge Lowell Sparks set the case for trial on November 4.

The defendant is charged with taking a car belonging to Joe King of Lake Tahoe August 21.

ADVANCE NIGHT AT STAR SESSION

Thirty-five members of Truckee Chapter No. 116, Order of the Eastern Star, attended Advance Night at their regular meeting on Tuesday evening.

Dorothy King, associate matron, and J. D. Anderson, associate patron, shared honors with Marie Street and James McIver, worthy matron and worthy patron of the lodge.

Hilda Hintz and Bert King assumed the offices of associate matron and association patron. Past matrons Mildred Burch and Azad McIver took the places of conductress and associate conductress for the evening.

Following the meeting, refreshments were served in the banquet room.

In Hospital—Mrs. Dan Smith was reported to be a patient in the Tahoe Forest Hospital this week.

MRS. PEDLEY HOME FROM SAFETY MEET

The Governor's Safety Conference in Sacramento was an "education," according to Mrs. Fred Pedley, who attended from this area as a guest and participant.

The conference was honored with the opening welcome by former Governor Earl Warren. This was Warren's last public address before leaving for Washington to become chief justice of the United States.

Round table discussions were held on all phases of safety and a number of excellent resolutions were adopted to be presented to the next legislature. The most important resolution to be worked into a bill for the legislature will set up a traffic safety board for the state.

To Colfax—Mr. and Mrs. A. R. Sturgill, who have been in Truckee, are making their home in Colfax.

TACKLE STEALING DENIZEN OF BOCA TEN INCHES LONG

KINGS BEACH—Lee Madden of Tahoe Vista has been telling one of the tallest fish stories we have heard in a long time.

The "facts" go something like this:

Last Sunday, while fishing at Boca Reservoir with his wife and father-in-law, Lee noticed his rod suddenly being pulled into the water. As he quickly prepared to go in after it, his rod, reel—the works—took off to the center of the reservoir. His best fly rod gone, and dripping wet, Lee "calmly" proceeded to use his wife's rod onto which he attached a small fish scale, and cast out and reeled in, in a vague attempt to retrieve his equipment and perhaps the whopper which tore off with it. After many futile attempts, he reeled something in. This "something" turned out to be a fish attached to his line, reel and rod.

The size of the fish is reported to have been ten inches.

The confusing part of this story is that Mrs. Madden and her father insist they witnessed and participated in the activities above related. Now if the fish had been a 15 pounder, it might be more believable—or would it?

SECOND BIRTHDAY PARTY INCENTIVE

Monte, who was two years old October 6, was the incentive for a party given by his mother, Mrs. J. M. Neugebauer. The Halloween motif was used and the birthday cake made in the shape of a pumpkin centered the refreshment table.

The following small children and their mothers were invited to share the occasion: Kris and Debby Ellis, Sandra Ferdinand, Lynne Nations, Bruce Leamon, Denise Robinette, Danny Foster, Marlene Hocker and Jerry Neugebauer.

Get Deer—Jack Pistoia, Hugh Weinand and Lauren Russell were among the local hunters who belatedly bagged their bucks this week.

Nelsons Move—Dr. and Mrs. L. D. Nelson, who visited Mr. and Mrs. William Gautsche this week, recently changed their address from San Diego to Temple City. Dr. Nelson is still serving in the U. S. Navy.

Back at Work—Steve Kolos has returned to work following treatment last week for an old injury sustained in a motorcycle accident.

Yorks at Meadow Park—Mr. and Mrs. G. D. York are living in the house belonging to Mr. and Mrs. Tom Borneman at Meadow Park.

In Roseville—Mr. and Mrs. Valerio Arraiz have returned to Roseville after having spent the summer at their local ranch.

Bradshaws to Buck Lake—Mr. and Mrs. Al Bradshaw of Oakland left Monday for Buck's Lake, having come here to attend the annual buck stew given by the Truckee Outdoor Sportsmen.

Fallon Visitors—Mr. and Mrs. V. C. Shattuck were Fallon visitors this week.

At Palm Springs—Mrs. Don Ryan has written that they are moving from Corona to Palm Springs, hoping to benefit Ryan's health, following nine operations in 17 weeks. The many cards and letters received from local friends during his illness have been enjoyed by the couple.

In San Diego—Mr. and Mrs. Heslin Cardinal and family and Mr. and Mrs. P. Petroni are vacationing in San Diego where they are visiting Mr. and Mrs. Ralph Snively. Mrs. Cardinal and Mrs. Snively are daughters of the Petronis.

In Capital—Mr. and Mrs. Douglas Barrett and daughter, Phyllis, were Sacramento visitors Friday.

INSTRUCTORS CLASS FOR R. C. FIRST AID

TAHOE CITY—Carl Ross, first aid field representative for the American Red Cross from the area office, will conduct a first aid instructor course and first aid instructor review at Auburn between October 19 and October 30, according to a letter received by Mrs. Marie Henry at Tahoe City.

The advanced first aid course may be accomplished in eight or 12 hours, usually, and qualified persons from the Tahoe-Truckee vicinity have been invited to attend the class during the above dates, Mrs. Henry said.

Tarzan

by EDGAR RICE BURROUGHS

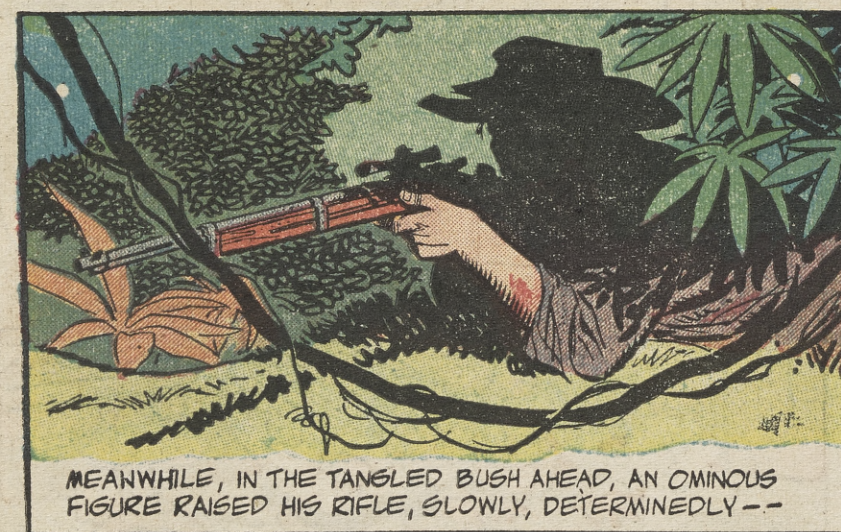

TARZAN HAD JUST HEARD ABOUT THE RAMPAGING JUNGLE CATS--AND LURKING IN THE BACKGROUND WAS KOMA'S ACCOUNT OF THE "DEVIL," A CREATURE WHO APPEARED FIRST AS A PANTHER, THEN TRANSFORMED INTO A GHOSTLY HUMAN BEING!

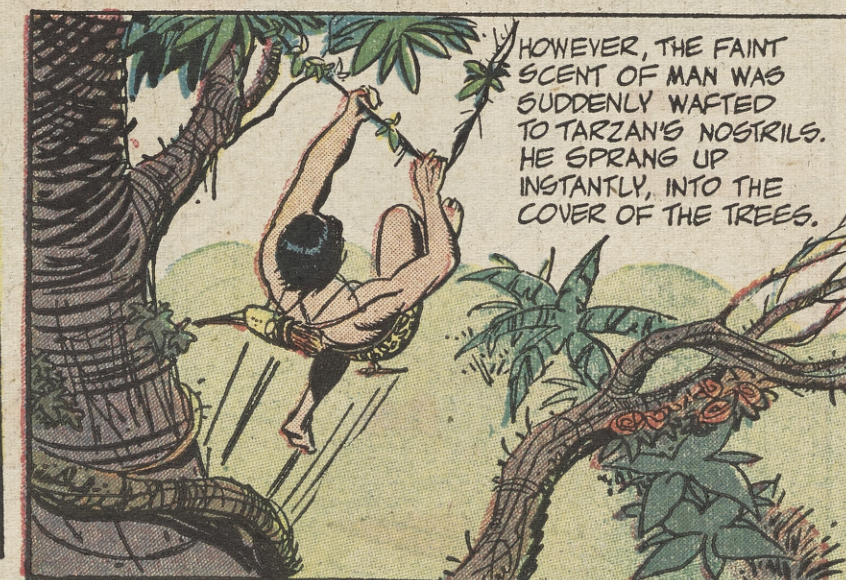

TARZAN OFFERED THE NATIVES ENCOURAGEMENT, THEN DEPARTED. HE SYMPATHIZED WITH THEIR FLIGHT, BUT ALSO WAS SPURRED TO ACTION BY INTENSE CURIOSITY.

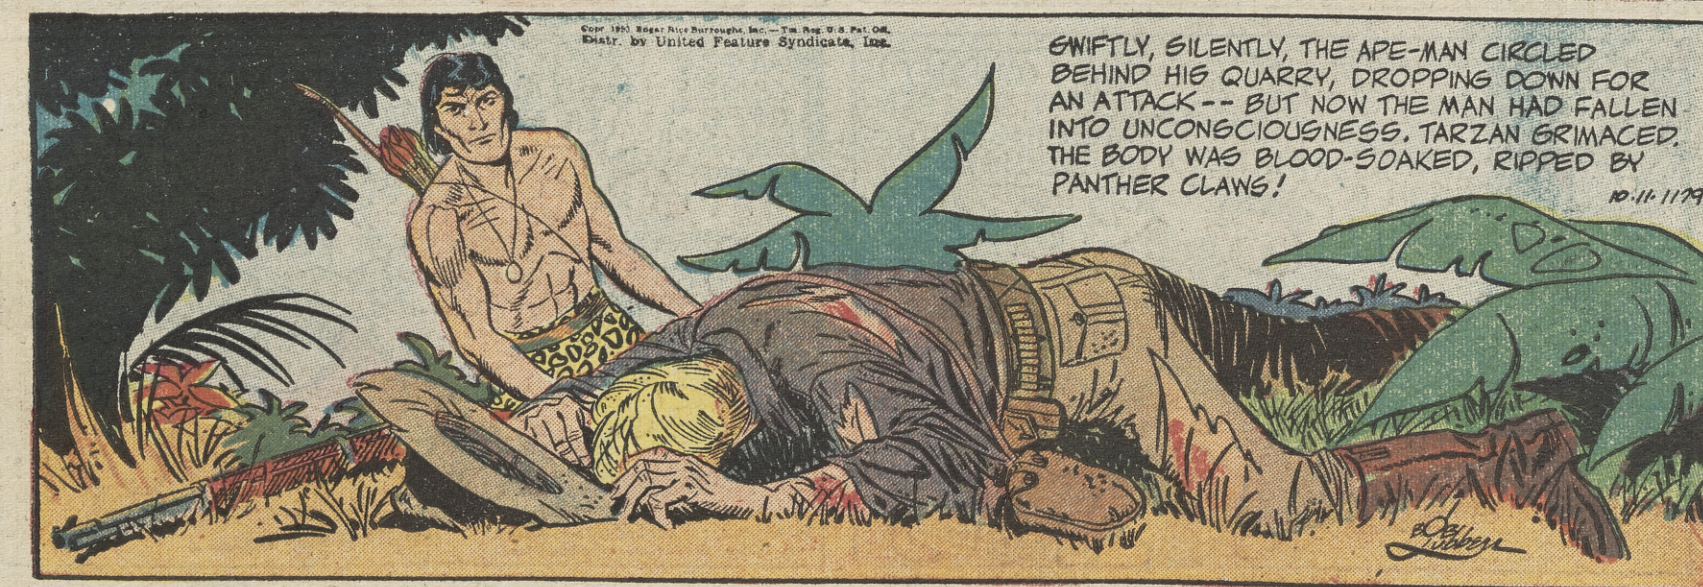

HE EASILY FOUND AND FOLLOWED A SPOOR INTO THE JUNGLE. HE WONDERED NOW, IF KOMA'S "DEVIL-MAN" WAS IMAGINATIVE, FOR HERE WERE ONLY PANTHER TRACKS.

MEANWHILE, IN THE TANGLED BUSH AHEAD, AN OMINOUS FIGURE RAISED HIS RIFLE, SLOWLY, DETERMINEDLY--

HOWEVER, THE FAINT SCENT OF MAN WAS SUDDENLY WAFTED TO TARZAN'S NOSTRILS. HE SPRANG UP INSTANTLY, INTO THE COVER OF THE TREES.

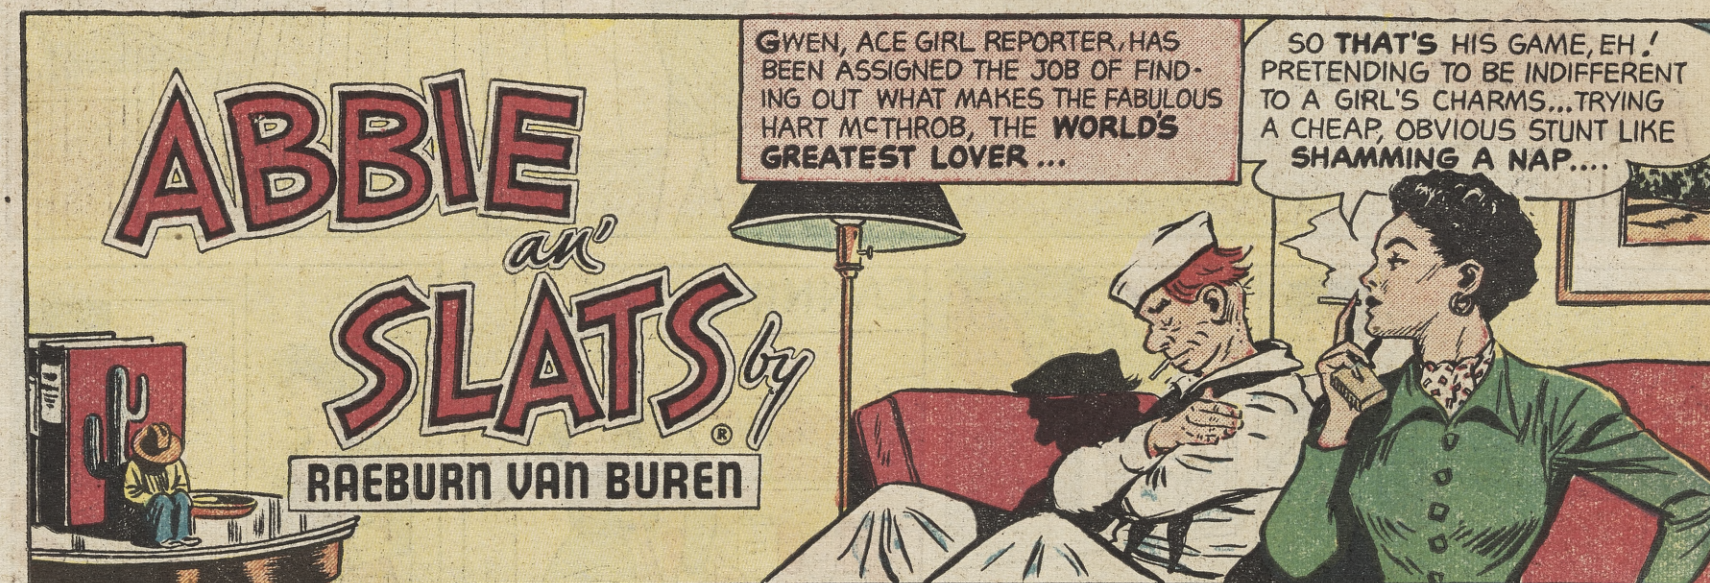

SWIFTLY, SILENTLY, THE APE-MAN CIRCLED BEHIND HIS QUARRY, DROPPING DOWN FOR AN ATTACK-- BUT NOW THE MAN HAD FALLEN INTO UNCONSCIOUSNESS. TARZAN GRIMACED. THE BODY WAS BLOOD-SOAKED, RIPPED BY PANTHER CLAWS!

GWEN, ACE GIRL REPORTER, HAS BEEN ASSIGNED THE JOB OF FINDING OUT WHAT MAKES THE FABULOUS HART MCTHROB, THE **WORLD'S GREATEST LOVER**...

SO THAT'S HIS GAME, EH! PRETENDING TO BE INDIFFERENT TO A GIRL'S CHARMS...TRYING A CHEAP, OBVIOUS STUNT LIKE SHAMMING A NAP...

WELL, YOU CAN TRY THAT CONTEMPTIBLE STUNT ON YOUR UNSOPHISTICATED LITTLE VICTIMS, BUT WITH A WOMAN OF THE WORLD LIKE ME, IT JUST WON'T WORK.

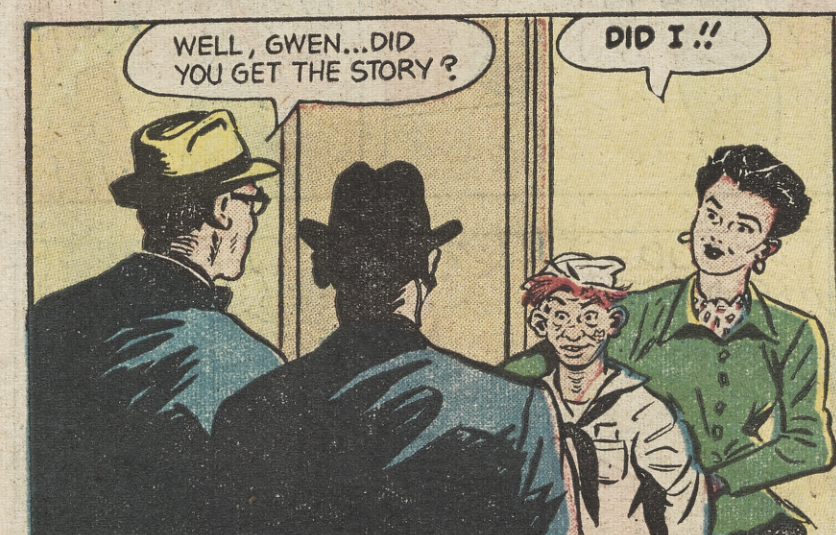

I KNOW MEN, HART MCTHROB, AND ALL THEIR TRICKY, DESPICABLE METHODS OF WORMING THEIR WAY INTO A WOMAN'S HEART...BUT WITH ME THEY DON'T WORK, YOU UNDERSTAND!!

YOU'VE MET YOUR WATERLOO, AT LAST, YOU HALF-PINT CASANOVA, YOU... ALL YOUR FAMOUS CHARM WON'T HELP YOU WITH ME! I'M HEP TO EVERY TRICK IN THE BOOK...SO STOP WASTING YOUR TIME!

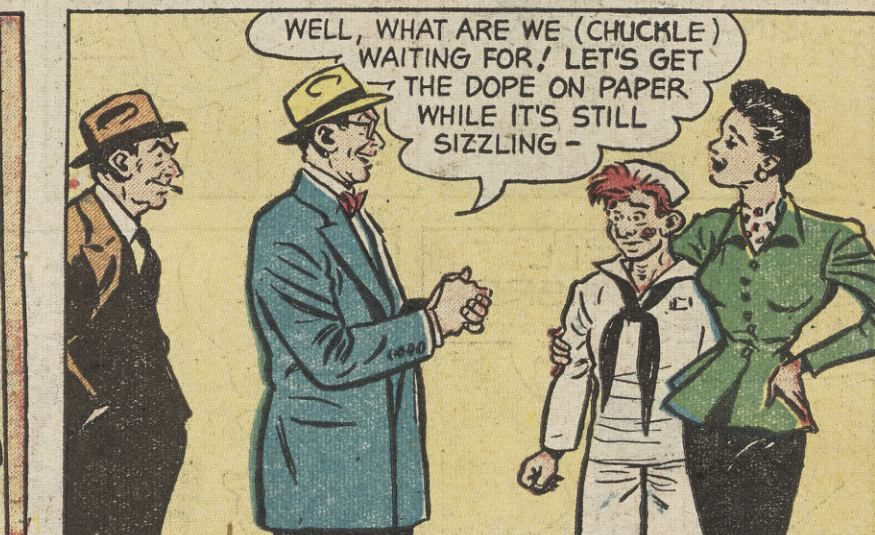

WELL, GWEN OUGHT TO HAVE THE MCTHROB STORY BY NOW--WE'LL RUN IT ON THE FRONT PAGE UNDER THE TITLE... "THE TRUTH ABOUT HART MCTHROB--AN EXCLUSIVE INTERVIEW!"

WELL, GWEN...DID YOU GET THE STORY?

DID I!!

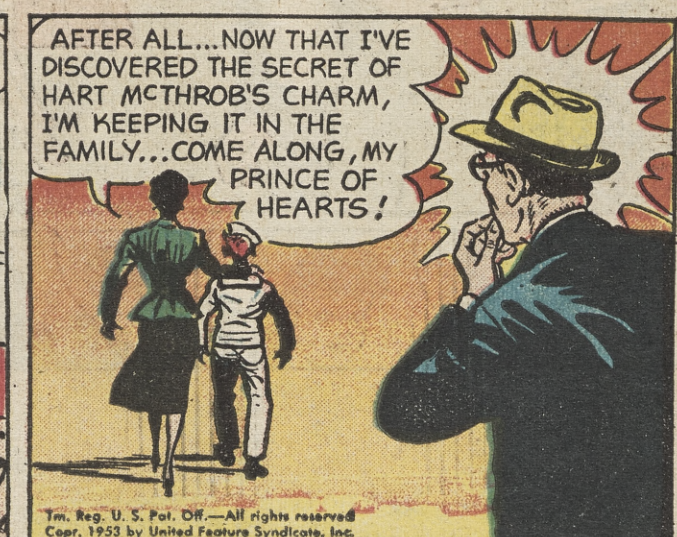

WELL, WHAT ARE WE (CHUCKLE) WAITING FOR! LET'S GET THE DOPE ON PAPER WHILE IT'S STILL SIZZLING--

SORRY, BOSS... THIS YARN I'M NOT PUTTING ON PAPER...

YOU'RE (CHOKES) NOT WHAT!!

AFTER ALL...NOW THAT I'VE DISCOVERED THE SECRET OF HART MCTHROB'S CHARM, I'M KEEPING IT IN THE FAMILY...COME ALONG, MY PRINCE OF HEARTS!

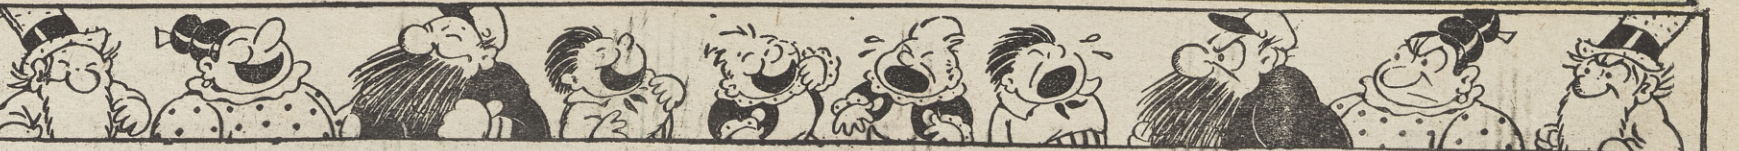

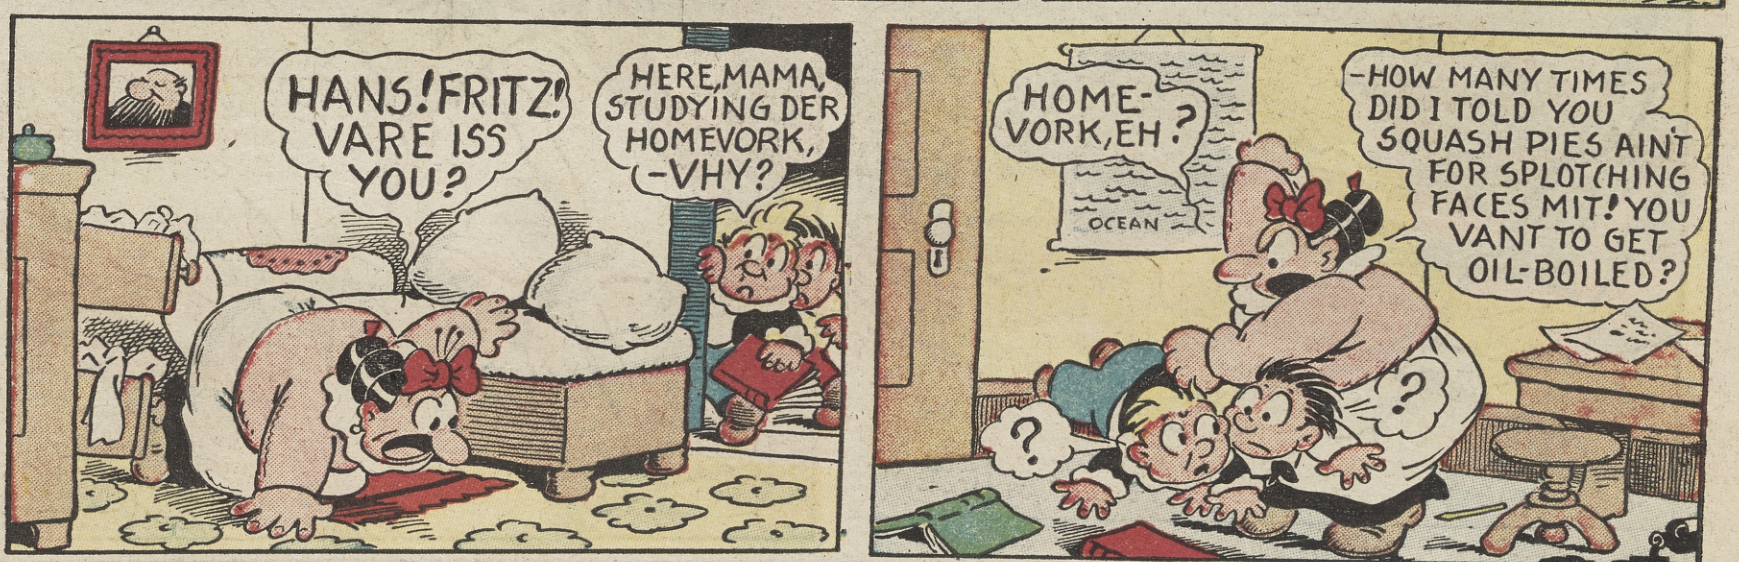

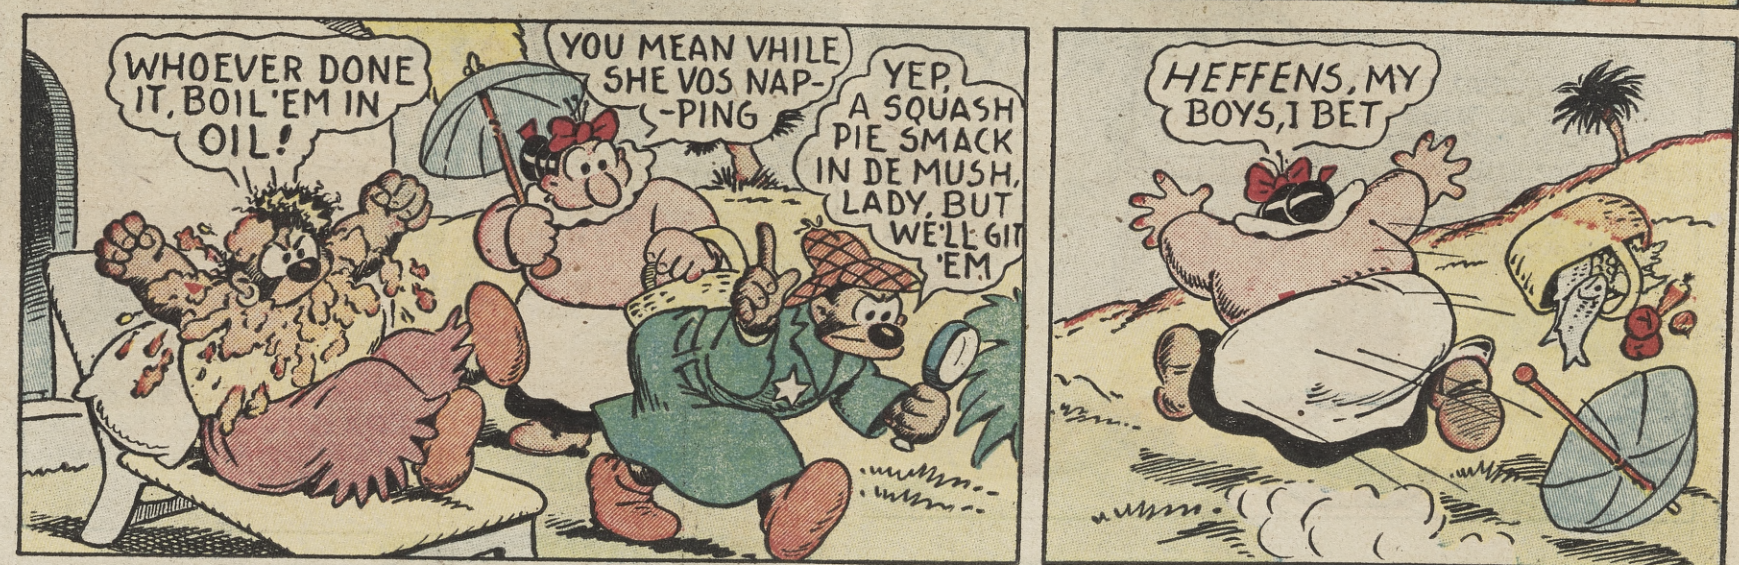

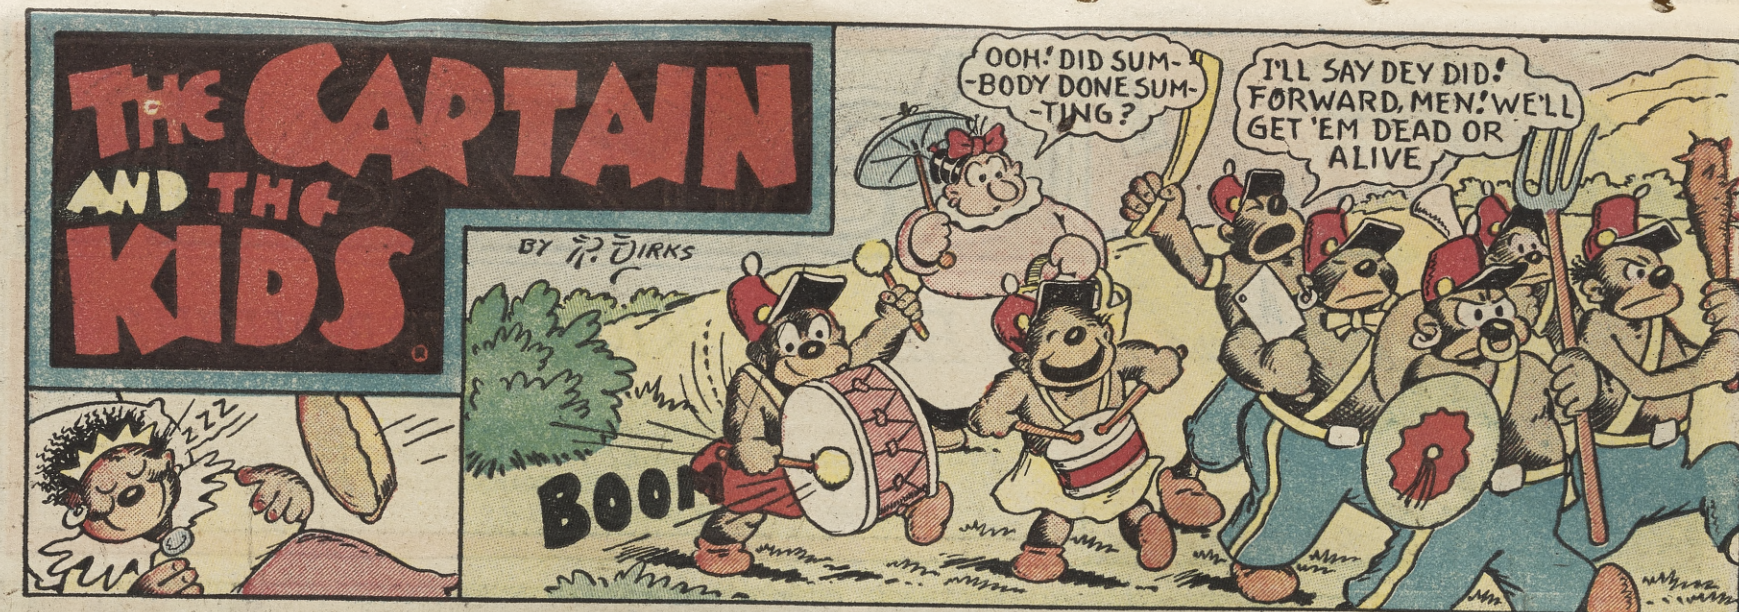

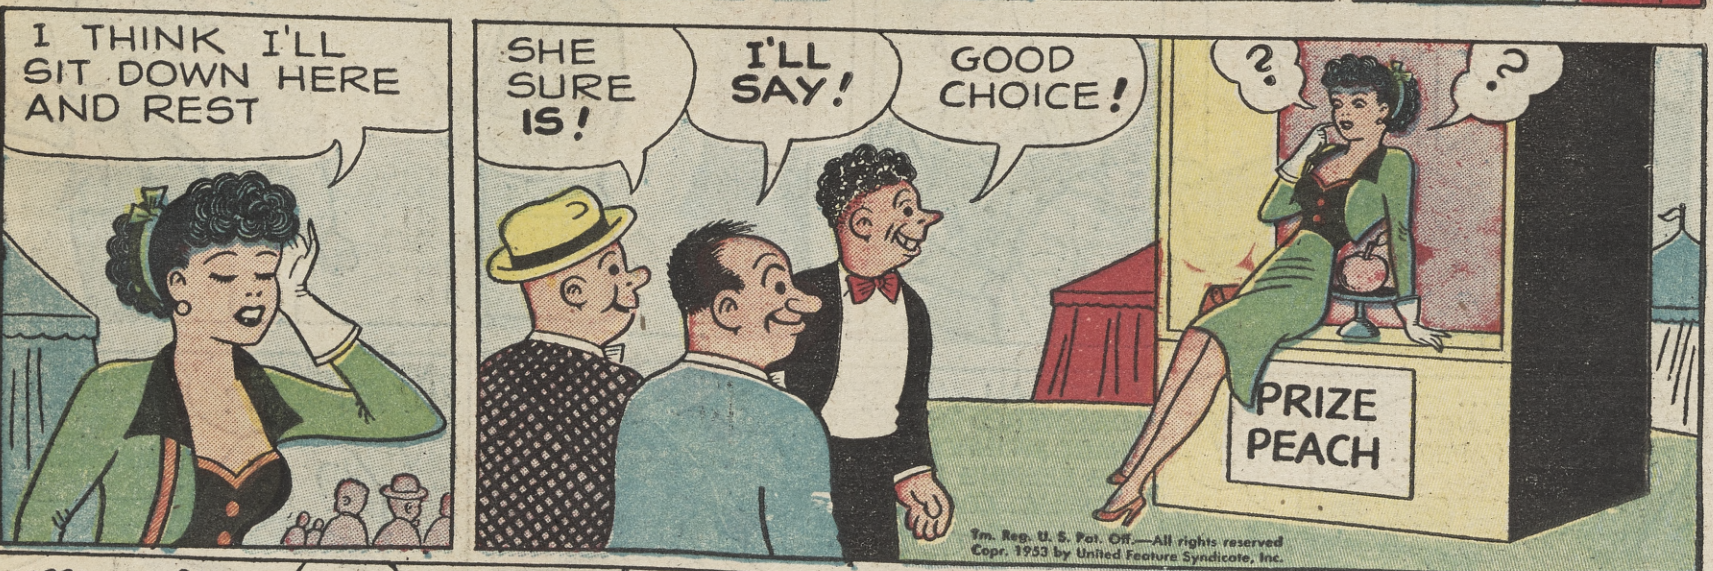

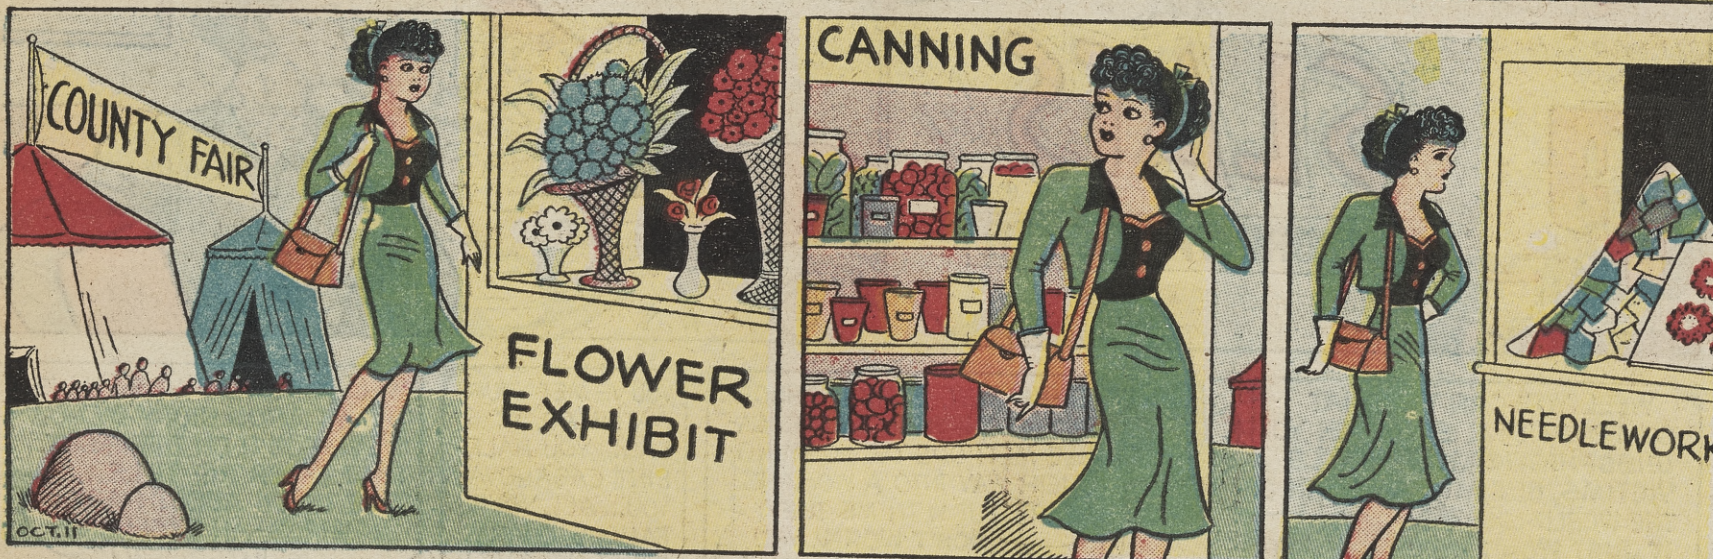

GWEN...WHERE ARE YOU GOING?

TO CITY HALL TO GET MARRIED!!

HENRY FORMHALS

JOE, THAT FISH YOU CAUGHT LAST SUMMER JUST CAME BACK FROM THE TAXIDERMIST!

HOT DIGGITY! WHERE IS IT?

THE TAXIDERMIST DID A VERY GOOD JOB, I'D SAY!

BOY, WILL ALL MY FISHIN' PALS BE JEALOUS! 14 INCHES OF SCRAPPIN', JUMPIN' RAINBOW TROUT!

AND, JOE, HERE'S A BOX AND ALSO A LETTER THAT CAME FROM CHARLIE MCCORMICK THIS AFTERNOON!

YOU OPEN TH' LETTER! I'LL SEE WHAT'S IN TH' BOX!

... packed in dry ice you will find a few pan fry trout I thought you might enjoy...

?

... also enclosed you will find a picture of a couple of rainbows I caught a few days ago. The one on the left scaled 28 pounds! The other was 33 pounds!
